## **Design Is In The Details Decorating Indoors And Out:**

Design is in the Details Brad Mee, 2001 Transform dull uninspired spaces into warm inviting rooms brimming with personality and originality without changing any structural elements Whether your living space is a designer original a suburban tract house or a cookie cutter apartment it s the finishing touches that make a house a home a home a showplace and a garden or patio a source of endless pleasure Colour photographs demonstrate how even the simplest detail brings depth and character to a space Add warmth to a kitchen by hanging dried herbs or flowers from ceiling beams capture a touch of whimsy with high wire sculptures performing below a faux painted sky bring the sense of a jungle clearing to an outdoor room with scattered earthen jugs tiger striped pillows and the tropical leaves of a thriving philodendron These and hundreds of other auspicious ideas should inspire you to create memorable eye catching rooms that showcase your individual style
