Designing Your Own Clabical Curriculum:

Designing Your Own Classical Curriculum Laura Berquist,1998-01-01 Home educator Laura Berquist presents a modern curriculum based on the time tested philosophy of the classical Trivium grammar logic and rhetoric She has given homeschoolers a valuable tool for putting together a liberal arts curriculum that feeds the soul as well as the intellect Her approach covering grades K 12 is detailed and practical and it is adaptable by parents and teachers to any situation This third revised edition includes a much expanded section for a high school curriculum and an updated list of resources for all grades

The Big Book of Home Learning Volume 1 Getting Started Mary Pride,2000-09 **Catholic Education** Kimberly Hahn,Mary Hasson,2012-12-11 Two experienced home schooling moms present a very thorough balanced and practical guide to both the merits of home education as well as the important ideas resources and curriculums to home school Hahn and Hasson cover all aspects statistics supporting home schooling s excellence the nitty gritty of lesson plans and hundreds of ways to keep the fun in and boredom out of learning Most importantly they offer compelling advice and inspiration for parents as they undertake their child s religious moral and intellectual formation This is a reliable guide for Catholic parents who want to stay close to the heart of the church in the schooling of their children The authors demonstrate that home schooling is not a fringe movement on the Church s periphery but it is squarely based on Catholic teachings drawn from Sacred Scripture natural law and the writings of saints and popes Readers will find the right combination of secular and sacred theoretical and practical Whether you are looking for advice and encouragement language resources aids for teaching multiplication or phonics or the Ten Commandments this book is sure to be a very functional tool

Home Schooling Frederick M. Lawrence,2007 From left to right on the political spectrum there is at least one note of agreement the nation s school system has not delivered universal quality education Accordingly debate has raged over how to rectify this situation Should the government increase funding encourage privatisation some of both Another option though has emerged and is seemingly gaining popularity home schooling Citing both substandard education and displeasure with school environments and curricula many parents have decided to teach their own children Supporters say it is well within their rights to raise their children as they see fit and that at home learning is superior to the public system Detractors claim that home schooled children are deprived of social interaction and the broad based education provided by the system Neither side wants to cede ground making the issue of home schooling an integral part of a wider national debate on education In this book the specific topic of home schooling is presented from all relevant sides to give a complete picture of the present status of the issue and its potential for future resolution Following this overview is a thorough and carefully selected bibliography of literature about home schooling from all viewpoints Easy access to his important resource is then provided via author title and subject indexes
