Desire Caught By The Tail:

'Desire Caught by the Tail' Pablo Picasso,1970 Desire Caught by the Tail Pablo Picasso, Michael Snow, Brydon Smith, National Gallery of Canada, 1998* **Desire Caught by the Tail** Pablo Picasso, 1948 Desire Caught by the Tail Pablo Picasso, 1962 Desire Caught by the Tail. A Play in Six Acts. By Pablo Picasso. Translated by Roland Penrose ... Produced by William Jay ... On Monday the Ninth of October, 1950, for Two Weeks Watergate Theatre (LONDON), Sir Roland Penrose, 1950 Desire Caught by the Tail. Illustrated by the Author. A Play. Translated ... by **Bernard Frechtman** Pablo Picasso, Bernard FRECHTMAN, 1950 Four Little Girls and Desire Caught by the Tail Pablo Picasso, 2020-01-21 In the 1940s Picasso wrote two plays in French the first Desire Caught by the Tail was conceived during the German occupation of Paris and features a cast of grotesque allegorical characters such as the Onion Silence or Fat Anxiety discussing the crucial wartime themes of hunger cold and love the second The Four Little Girls came about a few years after the end of the war on the French Riviera and presents the stream of consciousness thoughts of four unnamed girls in a vegetable garden revealing an unexpectedly evil aspect of childhood These surreal compositions which were meant to be read aloud rather than formally staged are a testament to the great artist s imaginative powers and have been considered as forerunners to the theatre of the absurd of the 1950s as exemplified by Beckett Ionesco and Adamov This volume also contains the accompanying illustrations by Picasso himself The Artist, His Model, Her Image, His Gaze Karen L. Kleinfelder, 1993-04-15 Although Pablo Picasso's name is virtually synonymous with modernity his late graphics repeatedly turn back to the traditional theme of the artist and model Had the aging artist turned reactionary or is Picasso s treatment of the theme more subversive than anyone has suspected In this innovative study Karen L Kleinfelder rejects the claim that Picasso s later work was a failure The failing she claims lies more in the way we typically have read the images treating them merely as reflections of an old age style or of the artist s private life Focusing on graphics dating from 1954 to 1970 Kleinfelder shows how Picasso plays with the artist model theme to extend subvert and parody both the possibilities and limits of representation For Kleinfelder Picasso's graphic work both mystifies and demystifies the creative process venerates and mocks the effects of aging and the artist s self image as a living old master and acknowledges and denies his own fear of death Using recent interpretive and literary theory Kleinfelder probes the three way relationship between artist model and canvas The dynamics of this relationship provided Picasso with an open ended textual framework for exploring the dichotomies of man woman self other and vitality mortality What unfolds is the artist's struggle not only with the impossibility of representing the model on canvas but also with the inevitability of his own death Kleinfelder explores how Picasso s means of pursuing these issues allows him to defer closure on a long productive career By focusing on the graphics rather than the paintings Kleinfelder contradicts the primacy of the painted masterpiece she steers the reader away from the assumption that the artist must work toward creating a final body of work that signifies the culmination of his search for a

coherent identify Picasso's search she argues realizes itself in the creative process. She interprets the late graphics not as a biographical statement but as a tool for investigating the possibilities of representation within the limits of Picasso's medium and his lifetime Richly illustrated Kleinfelder's book will open up new approaches to the late work of this complex artist

Desire Caught by the Tail, 1961 Samuel Beckett and the Theatre of the Witness Hannah Simpson, 2022-05-12 Samuel Beckett and the Theatre of the Witness explores Beckett's representation of physical pain in his theatre plays in the long aftermath of World War II emphasising how the issues raised by this staging of pain speak directly to matters lying at the heart of his work the affective power of the human body the doubtful capacity of language as a means of communication the aesthetic and ethical functioning of the theatre medium and the vexed question of intersubjective empathy Alongside the wartime and post war plays of fellow Francophone writers Albert Camus Eug ne Ionesco Pablo Picasso and Marguerite Duras this study resituates Beckett s early plays in a new conceptualising of le th tre du t moin or a theatre of the witness These are plays concerned with the epistemological and ethical uncertainties of witnessing another spain rather than with the sufferer s own direct experience They raise troubling questions about our capacity to comprehend and respond to another being s pain Drawing on an interdisciplinary framework of extant criticism recorded historical audience response theatre and affect theory and medical understandings of bodily pain Hannah Simpson argues that these plays do not offer any easily negotiable encounter with physical suffering pushing us to recognise the very otherness of another being s pain even as it invades our own affective sphere In place of any comforting transcendence or redemption of endured pain they offer a starkly sceptical even pessimistic probing of what it is to witness another s suffering Desire Caught by the Tail; A Play. Illustrated by the Author. Translated From the French by Bernard Frechtman Pablo Picasso, 1962 **Desire Caught by the Tail Translated [from the French] by Roland Penrose** Pablo Picasso, 1969 **The Poetry Circuit** Peter B. Howarth, 2024-09-17 Live performance has changed poetry more than anything else in the last hundred years it has given poets new audiences and a new economy and it has generated new styles from Imagism to confessional to contemporary Spoken Word But the creative impact that public reading had right through the twentieth century has not been well understood Mixing close listening to archive performances with intimate histories of modernist venues and promotors The Poetry Circuit tells the story of how poets met their audience again and how the feedback loops between their voices the venues and the occasions turned poems into running dramas between poet and listener A nervous T S Eliot reveals himself to be anything but impersonal while Marianne Moore's accident prone readings become subtle ways of keeping her poems in constant re draft Robert Frost used his poems to spar with his fans and rivals while Langston Hughes wrote Ask Your Mama to expose the prejudice circulating in the room as he spoke it The Poetry Circuit also shows how the post war reading boom made new kinds of poetry involving their audience and setting in the performance such as John Ashbery's anti-charismatic Poets Theatre Amiri Baraka's documentary soundtracks of the streets or the confessional readings of Allen Ginsberg which shame the listeners more than

the poet Covering the first seventy years of the poetry reading The Poetry Circuit demonstrates that there never were page and stage poets the reading simply changed what every modern poet could do A Life of Picasso IV: The Minotaur Years John Richardson, 2021-11-16 The beautifully illustrated fourth volume of Picasso's life set in France and Spain during the Spanish Civil War and World War II covers friendships with the surrealist painters artistic inspiration around Guernica and the Minotaur and his muses Marie Th r se Dora Maar and Fran oise Gilot and much more Including 271 stunning illustrations and drawing on original and exhaustive research from interviews and never before seen material in the Picasso family archives this book opens with a visit by the Hungarian French photographer Brassa to Picasso s chateau in Normandy Boisgeloup where he would take his iconic photographs of the celebrated plaster busts of Marie Th r se Picasso s mistress and muse Picasso was contributing to Andr Breton's Minotaur magazine and he was also spending more time with the likes of Man Ray Salvador Dal Lee Miller and the poet Paul luard in Paris as well as in the south of France It was during this time that Picasso began writing surrealist poetry and became obsessed with the image of himself as the mythic Minotaur head of a bull body of a man and created his most famous etching Minotauromachie Richardson shows us the artist is as prolific as ever painting Marie Th r se but also painting the surrealist photographer Dora Maar who has become a muse a collaborator and more In April 1937 the bombing of the town of Guernica during the Spanish Civil War inspires Picasso's vast masterwork of the same name which he paints in just a few weeks for the Spanish Pavilion at the Paris World's Fair When the Nazis occupy Paris in 1940 Picasso chooses to remain in the city despite the threat that his art would be confiscated In 1943 Picasso meets Fran oise Gilot who would replace Dora and as Richardson writes rejuvenate his psyche reawaken his imagery and inspire a brilliant sequence of paintings As always Richardson tells Picasso's story through his work during this period analyzing how it shows what the artist was feeling and thinking His fascinating and accessible narrative immerses us in one of the most exciting moments in twentieth century cultural history and brings to a close the definitive and critically acclaimed account of one of the world's most celebrated artists Picasso Rewriting Picasso Kathleen Brunner, 2004 Picasso Rewriting Picasso looks at the period from 1935 to the late 50s when Picasso produced over 350 texts and plays in both Spanish and French Only a quarter of these were published in his lifetime and there has been little consideration of how this prolific output of literature affected Picasso as an artist and Modernist Explored here in depth for the first time Kathleen Brunner considers the impact that this legacy had on the traditions of painting and representation and the development of Picasso s artistic vocabulary Central to her conclusions are new readings of key paintings such as Guernica the Minotauromachia and the Meninas series using information taken from his literary works Picasso Rewriting Picasso is essential for any art lover with a wealth of new information and rarely seen images from his archives With extensive illustrations this volume is sure to become a vital part in expanding our knowledge of one of the most respected and prolific artists of the twentieth century **London Theatre Record** ,1989 Playscript ,1970 Experiencing Music Video

Carol Vernallis, 2004-06-16 Music videos have ranged from simple tableaux of a band playing its instruments to multimillion dollar high concept extravaganzas Born of a sudden expansion in new broadcast channels music videos continue to exert an enormous influence on popular music They help to create an artist s identity to affect a song s mood to determine chart success the music video has changed our idea of the popular song Here at last is a study that treats music video as a distinct multimedia artistic genre different from film television and indeed from the songs they illuminate and sell Carol Vernallis describes how verbal musical and visual codes combine in music video to create defining representations of race class gender sexuality and performance The book explores the complex interactions of narrative settings props costumes lyrics and much more Three chapters contain close analyses of important videos Madonna's Cherish Prince's Gett Off and Peter Gabriel s Mercy St The Four Little Girls Pablo Picasso, 1970 The Four Little Girls came about a few years after the end of the World War II on the French Riviera and presents the stream of consciousness thoughts of four unnamed girls in a vegetable garden revealing an unexpectedly evil aspect of childhood These surreal compositions which were meant to be read aloud rather than formally staged are a testament to the great artist s imaginative powers and have been considered as forerunners to the theatre of the absurd of the 1950s as exemplified by Beckett Ionesco and Adamov This volume also contains the accompanying illustrations by Picasso himself The Malahat Review ,1975
