

Desire

My desire
is always the same; wherever Life
deposits me:

I want to stick my toe
& soon my whole body
into the water.

I want to shake out a fat broom
& sweep dried leaves
bruised blossoms

dead insects
& dust.

I want to grow
something.

It seems impossible that desire
can sometimes transform into devotion;
but this has happened.

And that is how I've survived:
how the hole
I carefully tended
in the garden of my heart

grew a heart
to fill it.

Desire Poems:

Directed by Desire June Jordan, 2012-12-28 Affordable e book of volume honored as one of Library Journal's Poetry Books of the Year **The Sacraments of Desire** Linda Gregg, 1991-03 **Baptism of Desire** Louise Erdrich, 1990-12-07 A second book of poetry by Louise Erdrich author of the bestselling and award winning novels *Love Medicine* *The Beet Queen* and *Tracks* Baptism by blood water or desire is necessary for salvation in Roman Catholic tradition and baptism of desire in the term used for the leap of trust by which a sincere believer can experience spiritual regeneration Louise Erdrich's poems are acts of redemption Everywhere evident is Erdrich's unique capacity for finding the perfect word the fresh yet absolutely right metaphor that makes her work both profound and accessible **Desire in L.A.** Martha Clare Ronk, 1990 *Desire in L.A.* confronts limitless longing in a city that is itself without limits In these poems the object of desire is decidedly missing whether that object be love or beauty or the past Shifting even within a single poem and certainly from section to section the objects of desire in Martha Ronk's poetry become as elusive as the unnamed Marilyn Monroe that image of another's skirts of the title poem or the moment captured in a photograph as good as a picture He leans forward with such fervor yet isn't young and something decidedly is happening even to the beefy fellow in his white short sleeved shirt A photograph oh perhaps not the same as a Manet but it is Auden and for whatever reason he stares at the square flesh neckline of her dress He is forward in his chair ruffled about the collar and everyone is wearing black and white It is the formal occasion of how much he cares to be there Venice 1951 and how much I care to see him no matter what for longing like that Moving from thwarted examples of family and place to language and its corruptions from classical Japanese love poems to failed love in the southwestern desert from emotionality to artifice the book ends with a series focused on the slipperiness of all categories

Desire Lines Lola Haskins, 2004 The poems in *Desire Lines* both new and selected give shape to the desires we must nourish if we are to retain our compassion The poems collaborate as a series of variations on the theme of desire much like the way a motif weaves through a piece of music or a thread through a tapestry Haskins presents autobiographical poems and poems that give voice to other women both historical and imagined Lola Haskins has published six full length poetry collections A musician and dancer Haskins shared the title role in *Mata Hari* a full length ballet whose libretto she wrote for Dance Alive a touring dance company She has read her poetry on National Public Radio and BBC radio **Books of Passion and Desire** Gary D. Blankenship, 2017-01-23 Erotic poems for Lovers Ten poets exploring the wonders of erotic love romance and lust men loving women men loving men women loving women in sweltering bedrooms on carpets and decks behind the arbor in the fields ponds and sensuous baths *Solve for Desire* Caitlin Bailey, 2017-12-12 A debut poetry collection exploring the real lives of siblings Georg and Grete Trakl while addressing themes of desire addiction loss and absence Georg Trakl is one of the most celebrated poets of the early twentieth century Less is known about his sister Grete also gifted also addicted to drugs and dead by her own hand three years after Georg's overdose But in *Solve for Desire*

selected by Srikanth Reddy as the winner of the 2017 Lindquist Vennum Prize for Poetry Caitlin Bailey summons Grete from the shadows At once sensual and acidic obsessive and bereft the Grete of these poems is a fairy tale sister leaving missives dropped around the city crumbs for your ghost Can one person be addicted to another Can two souls be twinned and where does that leave the physical How do we solve for desire when the object we adore disappears and how does the poet solve and resolve the past its wounds and its absences Each time I write your name Bailey writes a key turns somewhere in a lock Like the perfect red burst of poppies and of blood these poems are a blooming keening exploration of desire between brother and sister poet and subject the living and the dead Praise for Solve for Desire The work of a poet who sings boldly across the distances between us Srikanth Reddy A sobering look at desire addiction loss and absence in this debut collection of short lyric poems that are by turns lush and understated lofty and plainspoken She performs a kind of feminist resuscitation of the lesser known Grete focusing on small moments of quiet grief lust and memory and fleshing out a story that is still disputed Publishers Weekly This precarious satisfyingly disjointed debut collection of poetry captures the spirit of the Trakl siblings Bailey s brilliantine lyrics shine brightest when the siblings characters are wrought in full relief Booklist
