All the Year Round ,1892 100 Great Westindian Test Cricketers Bridgette Lawrence,Reg Scarlett,1988 With Reg Scarlett When did Michael Holding publicly condemn the bouncer Which West Indian batting star could have played for England Some of the many less well known facts to be found in Lawrence s excellent anthology tracing the rise of West Indian Test cricket from its beginnings at Lords in 1928 to the golden era of the 1980 s **'One Who Will':The Search for Steve Waugh** Jack Egan,2004 Steve Waugh s career is undisputedly the stuff of legend As a player and as a captain he has reached the pinnacle of Australian cricket His side has been compared to Bradman s Invincibles and the media coverage following his retirement from Test cricket was reignited by his controversial naming as Australian of the Year for 2004 Many though including Jack Egan have long wondered about the private man behind the public face of Australia s most successful Test captain For all the media coverage including his own tour diaries Waugh guards his privacy fiercely This unauthorised biography by a respected cricketing writer and documentary maker is not only a tribute to a player who has given the world some of the most magic moments in recent cricket but also an honest exploration of the man himself Who is Steve Waugh Jack Egan traces Waugh s career from his shaky debut on the international scene to his mastery of field placing and attacking Test cricket revisiting a few of his key innings along the way This is a comprehensive and objective picture of one of Australia s most successful sportsmen his successes and failures his effect for good and bad on the game on which the Australian team currently has such a stranglehold **Sourav Ganguly** Saptarshi Sarkar,2015-04-01 A no holds barred biography of one of India s most successful cricket captains Sourav Ganguly is a difficult icon He is undoubtedly one of India

s most successful captains one who moulded a new team when India was at its lowest ebb reeling from the betting scandal There can be no argument about his cricketing genius right from the time he scored a Test century at Lord s to the time he led India to the 2003 World Cup final But the world of cricketing fans is divided into those who adore him fiercely and despise him greatly He could be arrogant on occasion Ganguly allegedly refused to carry the drinks as a twelfth man He constantly challenged authority Greg Chappell discarded him from the team during his stint as coach Ganguly cared little for convention remember the bare chested celebration at an Indian win Yet in all the years of his roller coaster ride through Indian cricket no one questioned the man s utter devotion to the game or his team In this account of one of India s greatest cricketers shot through with intimate details Saptarshi Sarkar tackles controversies around the legendary cricketer head on Racy and gripping Sourav Ganguly Cricket Captaincy and Controversy investigates the big events in Dada s interesting career It probes the symbiotic relationship between the man and the cricketer What was Ganguly thinking before a match Why did he demand that the grass be trimmed just before start of play at the Nagpur pitch What was the Indian dressing room like What was that Greg Chappell chapter all about An unflinching biography of a man who never shied away from controversies this is as much a ready reckoner for Sourav Ganguly fans as it is an examination of a crucial era in Indian cricket
