Descentralización y Corrupción:

Descentralización y corrupción, 1996 **Voces críticas de la descentralización**, 2004 **Descentralización y corrupción** Fescol, 1996 La descentralización pasmada Efraín Gonzales de Olarte, 2023-12-07 Este libro analiza el proceso de descentralización en el Perú iniciado en 2003 en la producción de la distribución del empleo, el bienestar y el desarrollo humano con el fin de verificar si ha contribuido a la solución de los tres problemas estructurales en las regiones: la débil integración, la divergencia en el crecimiento y las desigualdades entre regiones y dentro de ellas. En consecuencia, el autor evalúa no solo los resultados de las acciones de los distintos niveles de gobierno en el bienestar de los habitantes de las distintas localidades del Perú sino también los procesos políticos e institucionales generados por la aplicación de la Ley de Descentralización que en parte explican los resultados alcanzados. Desafíos para la democracia en Latinoamérica y el Caribe Mitchell A. Seligson, 2008 **Descentralización para Satisfacer Necesidades Básicas** J. Michael McGuire, 2009-03-01 Approximately 25% of Latin Americans live on less than 2 a day and Latin America is the most unequal region of the world. Poverty and inequality cause suffering and slow development. The solution must include generating an inclusive development process through satisfying the basic needs of the poor that enhance their productivity that enable them to contribute to the development process and that enables them to earn the income necessary to live a full life. Decentralization of taxing and spending from the central government to lower levels of government can help to satisfy basic needs of the poor and create an inclusive development process. However, decentralization is a step-by-step process that must be implemented by taking into account real world circumstances such as a lack of administrative ability in local government and by formulating policy accordingly. The book derives economic principles for implementing the process of decentralization and it presents cases that illustrate the principles at work. It is an economic guide for policymakers and practitioners. Descentralización universal, ó, El fuero vascongado Julian Arrese, 1873 **Democracia asaltada. El colapso de la política peruana (y una advertencia para América Latina)** Rodrigo Barrenechea, 2024-07-03 Que la democracia peruana surgida el año 2001 se deteriora rápidamente es algo sabido y experimentado cada día. Mucho menos sabido es por qué ocurre esto. Este libro es el intento más completo y sistemático por entender y explicar el hundimiento de la democracia peruana. Aquí se propone que para comprenderlo hay que rastrear en conjunto dos cuestiones: la erosión de la representación democrática y la del Estado de derecho. Puestas ambas en un mismo marco de análisis, el libro encuentra que estamos ante una democracia asaltada. **Estudios Territoriales de la OCDE: México 2003** OECD, 2006-04-10 Esta revisión de México evalúa las estrategias emergentes de desarrollo territorial así como los cambios significativos en la gestión pública tales como los nuevos mecanismos de coordinación horizontal y vertical que están siendo introducidos.
