Desert Wives:

Desert Wives Betty Webb, 2024-04-02 Now in its second edition Betty Webb's *Desert Wives* is a startling real look into the polygamous communities of Northern Arizona. When private detective Lena Jones helps thirteen-year-old Rebecca escape from Purity, a polygamy compound hidden in a desolate area straddling the Utah-Arizona border, she uncovers more than she bargained for. Rebecca's mother has now been arrested for the murder of Prophet Solomon Royal. Rebecca's intended husband, So, Lena enters Purity masquerading as a polygamist wife to uncover the real murderer. What secrets are the Circle of Elders so desperate to protect? Lena thinks she's put her own past behind her, but the sins of Purity's mothers and fathers force her to reexamine the scant memories of her early childhood. At the age of four, she was found lying unconscious by the side of an Arizona highway, a bullet in her head. Raised in a series of foster homes, Lena does not remember her real name or the names of her parents. Are Lena's past and this new case somehow connected? *Desert Cut* Betty Webb, 2012-08-31

While scouting locations for a film documentary on Arizona's Apache Wars, private investigator Lena Jones and Oscar-winning director Warren Quinn discover the mutilated body of a young girl. The gruesome manner of the child's death evokes memories of Lena's own rough childhood. Defying the local law, Lena investigates the child's death and uncovers a small town with a big secret. Founded by the descendants of pioneers who fought Geronimo, Los Perdidos now holds a significant population of documented and undocumented foreign-born residents who live and work at a modern plant. Lena senses a sinister force at work in the town, but where? When two more girls disappear from Los Perdidos, Lena is tempted to implement some frontier justice of her own to battle a cruel and ancient practice. *Desert Redemption* Betty Webb, 2019-03-12

In Jones's electrifying 10th Scottsdale, Arizona, PI Lena is approached by Harold Slow Horse, one of Arizona's leading artists, and gets on a trail that leads her at long last to answers about her troubled past. Publishers Weekly: At the age of four, Scottsdale private eye Lena Jones was shot in the head and left to die on a Phoenix street. After her rescue, she spent years in the abusive foster care system, never knowing who her parents were and why they didn't claim her. When *Desert Redemption* begins, she still doesn't know her real name. Lena's rough childhood and the suspicion that her parents may have been members of a cult keeps her hackles raised. So when Chelsea, the ex-wife of Harold Slow Horse, a close friend, joins a new thought organization called Kanati, Lena begins to investigate. She soon learns that two communes, polar opposites of each other, have sprung up nearby in the Arizona desert. The participants at EarthWay follow a rigorous dietary regime that could threaten the health of its back-to-the-land inhabitants, while the more pleasure-loving folk at Kanati are dining on sumptuous French cuisine. On an early morning horseback ride across the Pima Indian Reservation, Lena finds an emaciated woman's body in the desert. The woman lies in a spot close to EarthWay, clad in a dress similar to the ones worn by its women. But there is something about her face that reminds Lena of the Kanatians. While investigating, Lena's memory is jolted back to that horrible night when her father and younger brother were among those murdered by a cult leader named Abraham, who then

vanished Lena begins to wonder if either EarthWay or Kanati could be linked to that night and to her own near death Could leaders of one or both shed light on what had happened to Lena s mother who vanished at the same time as Abraham All these mysteries are resolved in Desert Redemption the tenth and final Lena Jones case which can also be enjoyed on its own
