Designing The Life Of Johnson

James Boswell

Designing The Life Of Johnson:

Designing the Life of Johnson Bruce Redford, 2005 For over two centuries Boswell's massive biography of Samuel Johnson has been both revered and reviled Yet neither its admirers nor its critics have fully understood how the book was designed to work upon them Boswell himself is partly to blame throughout the *Life* he directs attention away from artistry to industry from creative choices to dedicated researches Yet his working manuscript one of the twentieth century's greatest literary discoveries tells a much different tale *Designing the Life of Johnson* the first study of its kind reconstructs Boswell's models and methods by charting this textual labyrinth It begins by analyzing the stages that led to the first edition goes on to reveal the impact of portrait and theatre piece upon the structure of the *Life* and ends by uncovering the transformation of Johnson from savage into sage The result is a more subtle more vital assessment of Boswell the designer and an enhanced awareness of biography's power to make life into art *Life of Johnson* James Boswell, 1904

social sciences or in religion This book sets out to explore the answers to these questions and considers how finding the answers can enrich our lives and daily experience Following the Truth Wherever It Leads investigates areas where the authenticated discoveries of natural science and the clear statements of the Bible agree with and support one another and asks whether there really are irreconcilable differences between them It ends by attempting to portray a worldview whose promise may add fresh meaning and purpose to our lives
