Featuring 30 complete deck plans that are created and provided by the industry's leading master deck builders, this comprehensive easy to read guide will walk you through the entire process of designing, building and repairing a deck from start to finish. With step by step instructions for accomplishing all the included deck designs, coordinating photography, material lists and expert advice, build the deck of your dreams whether you do it yourself or hire a contractor. Newly updated edition includes revisions to information that complies with major deck codes implemented in recent years, plus new sections on deck repair, installing deck accessories and more.

Building and Designing Decks Scott Schuttner, 1998. Everything you need to design and build attractive long lasting decks is inside the covers of *Building and Designing Decks*. Professional carpenter Scott Schuttner takes you step by step, detail by detail, through the entire deck building process, including how to develop your own design ideas and turn them into well engineered plans. Select the right lumber, fasteners and finishes. Build a framework that's plumb, square and solid. Make planters, stairs and seating. Work efficiently without sacrificing quality. With Schuttner as your guide, you get clear descriptions and detailed drawings to build whatever kind of deck your budget and skill allow, anything from a basic single level deck to elaborate multilevel masterpieces. And to help you get started, a 16 page photo gallery gives you more than 40 inspiring examples of superb deck design. **Coastal Construction Manual, Principles and Practices of Planning, Siting, Designing, Constructing, and Maintaining Residential Buildings in Coastal Areas, Volume II: Determining Site-Specific Loads, Etc., June 2000**, 2000. **Black & Decker The Complete Guide to Decks** Editors of Creative Publishing, 2009-01-01. America's best selling deck book, better than ever. In this revised and expanded fourth edition of the all time bestselling book on decks, homeowners learn in unsurpassed detail the process of designing, building and maintaining a deck. Not only are all the classic deck building techniques included, but the book also shows how to incorporate the latest contemporary options, such as how to work with eco friendly wood and reclaimed plastic. Hiring a contractor to build a deck easily adds up to tens of thousands of dollars, but with the help of this book, readers can design and build the deck they want without the high price. For homeowners who already have a deck but are in the market to update or maintain that deck, *The Complete Guide to Decks* features important projects for repairs, upgrades and major additions, such as adding full electrical service, lighting and kitchen appliances. From design to construction and tools, material and planning, this is the only book consumers need to build the deck of their dreams. **Black & Decker The Complete Guide to Decks** Editors of Creative
