Communication in Extension

Harry A. Carey,Food and Agriculture Organization of the United Nations,1999-01-01 Communication in extension plays an important role in technology transfer whereas many field extension workers are poorly trained in this particular area as well as in the development of educational materials This publication was prepared as a teaching and learning guide to be used in the pre service and in service education of extension staff community development workers and all those who work and serve in rural communities It can be considered as an extension methodology tool box to train extension field staff in their work at the village level

Contemporary Public Speaking Courtland L. Bovée,2003 Contemporary Public Speaking includes all

the traditional fundamentals as well as the hottest issues in public speaking today Featuring a conversational style and an extensive photo and illustration program this comprehensive coverage provides students with the tools they need to analyze and apply public speaking principles Examples exercises and boxed features offer insights into major themes such as speaking across cultures developing creativity improving critical thinking overcoming speech anxiety focusing on ethics and learning from real world speaking situations Students will also explore how to speak on the job and in small groups develop persuasive strategies and use audio visual aids from flip charts to multimedia presentations and will learn basic ways to become more effective speakers and listeners A Collegiate Press book CONSULTING EDITORS JoAnn Edwards University of Mississippi Jon A Hess University of Missouri Columbia Cynthia Irizarry Stetson University Shannon McCraw Southeastern Oklahoma State University Timothy P Meyer University of Wisconsin Green Bay Louis J Rosso Winthrop University *Plain English at Work* Edward P. Bailey Jr.,1996-05-16 Everyday we write countless memos letters and reports without a second thought Likewise we give presentations both formal and informal Often this writing and speaking gets criticized for being jargon ridden obscure or long winded in short for not being in plain English But what is plain English and how do we go about writing and speaking it In *Plain English at Work* Edward Bailey gives the answer with down to earth tips and practical advice Bailey an expert in business communication gives us a simple model for writing Style write more the way you talk Organization make your point easy to find Layout use headings lists and other white space so readers can see the structure of your writing Psycholinguists Bailey points out have proven that the techniques of plain English writing are far easier on your readers experience has proven that writing in plain English is easier on you the writer too Bailey also gives you a wealth of practical advice for presentations including How to remember your talk How to design visual aids How to design computer presentations How to set up the room you ll be speaking in How to develop a successful delivery style Perhaps most impressive are the many detailed tips he gives here For instance when using a pointer hold it in the hand closer to the screen otherwise you turn your back on the audience making it harder to hear you When designing a visual aid use at least 28 point type and seldom use all capital letters which are harder to read And when presenting a bar chart during a computer presentation build it a bar at a time to focus your audience s attention Drawing on two earlier and popular books *The Plain English Approach to Business Writing* and *A Practical Guide for Business Speaking* this new volume has been significantly updated It includes up to the minute information on using computers computer graphics and typography for your writing and on using the same technology for designing your presentations The result is an authoritative and comprehensive single volume that will be the essential guide for everyone wishing to communicate more easily and effectively at work
