Content Strategy Planner Sara Eatherton-Goff, 2016-03-16 Blog planning doesn t have to be complicated

Whether you're a brand new blogger soon to be blogger or a current one looking to simplify your content for up to 12 months the Content Strategy Planner is for you. It includes private access to the blog planning video workshop and mini printable workbook from GoffCreative dot com in addition to all the internal resources tracking planning and prep for Blog and reader planning and overview Blog content mapping strategy and tips Guided editorial content preparation for 12 months Email marketing overview and plan Editorial calendar Monthly personal and professional planning Monthly prep sheet email growth analysis etc Email marketing map the foundation for your strategy each month 12 months of analytics recording stats 12 months of blog growth analysis Guest blogging opportunity tracking And more. Uncomplicate the blog content planning process with this simple guided planner that'll walk you through every important facet of developing a strong blog to help support your business online or allow your blogging hobby to be taken seriously. But before you buy this planner note that it's not for you if you have more than one blog that you manage or if you send more than 8 emails a month to your audience. Yes you could make it work but I wouldn't recommend it. Also this book doesn't linger in the past. It's a forward focused blog planner intended to help you do just move forward with your blog. So if you're looking for 20 pages of reflection from the previous 12 months slapped in the first part of the planner it's not for you either. There's plenty of thorough tracking but it also won't keep you detailing the past for hours on end. If you want a serious blog planner with a focus on growth preparation and built on a high functioning strategic process then this planner is exactly what you're looking for. Buy the Content
