*The AI Freelancer's Playbook—supercharged with a viral title, accessible language, and packed with value* Dizzy Davidson, 2025-07-27 If you're tired of chasing freelance gigs without results. If you wish you had more hours in your day but can't afford to hire help. If tech overwhelms you and you just want simple tools that work. Then this book is for you. The AI Hustle Handbook is the God-sent guide for freelancers ready to level up without burnout. Whether you're a graphic designer, writer, virtual assistant, coach, or multi-talented creative, this book reveals how artificial intelligence can become your silent business partner, speeding up your work, amplifying your ideas, and freeing up your time. Written in clear, jargon-free language for readers of all backgrounds, even those with a Grade 9 education, this handbook is PACKED with tips, tricks, and guides for using AI to create stunning visuals, write viral content, automate tasks, and boost sales. Step-by-step guides walk you through building websites, pitching clients, and handling finances with smart tools. Real-life stories of freelancers who've scaled their income with AI support. Illustrations and examples make each chapter fun, relatable, and insanely useful. You'll learn how to go from solo hustle to solo empire without writing a single line of code. Inside, you'll find prompts, cheat sheets, toolkits, and bonus resources that empower you to take action immediately. Whether you're just starting out or looking to scale, this book will change the way you work forever. GET YOUR COPY TODAY.

*Connected Histories* Eva Pfanzelter, Dirk Rupnow, Éva Kovács, Marianne Windsperger, 2024-09-23 The World Wide Web WWW and digitisation have become important sites and tools for the history of the Holocaust and its commemoration Today some memory institutions use the Internet at a high professional level as a venue for self presentation and as a forum for the discussion of Holocaust related topics for potentially international transcultural and interdisciplinary user groups At the same time it is not always the established institutions that utilise the technical possibilities and potential of the Internet to the maximum Creative and sometimes controversial new forms of storytelling of the Holocaust or more traditional ways of remembering the genocide presented in a

new way with digital media often come from people or groups who are not in the realm of influence of the large memorial sites museums and archives Such private stagings have experienced a particular upswing since the boom of social media This democratisation of Holocaust memory and history is crucial though it is as yet undecided how much it will ultimately reinforce old structures and cultural regional or other inequalities or reinvent them The Digital space as an arbitrary and limitless archive for the mediation of the Holocaust spanning from Russia to Brazil is at the centre of the essays collected in this volume This space is also considered as a forum for negotiation a meeting place and a battleground for generations and stories and as such offers the opportunity to reconsider the transgenerational transmission of trauma family histories and communication Here it becomes evident there are new societal intentions and decision making structures that exceed the capabilities of traditional mass media and thrive on the participation of a broad public
