Franchise Times ,2009 Don't Call It Quits: Turn

the Job You Have into the Job You Love Shana Lebowitz Gaynor,2022-08-23 There are other often better ways to find fulfillment at work besides leaving your job It can be tempting to fire off a letter of resignation or at least fantasize about

doing so when you're unsatisfied or unhappy at work. But leaving a stable job can be impractical. And often there are other less dramatic ways to get what you want out of your career. In *Don't Call It Quits*, Shana Lebowitz Gaynor draws on her experience writing about career development to show how you can more deeply connect to your work, reclaim agency in your career, and find the freedom and happiness you're seeking without upending your life with a job change. As Shana explains, you aren't caught between two terrible options: stick around and suck it up, or leave and hope for something better. You probably have many more choices than you realize. *Don't Call It Quits* is your how-to guide for exploring those options. You'll finally be able to turn the job you have into the job you love with smart strategies backed by scientific research and the real-life experiences of workplace experts, including social scientists, HR chiefs, and career coaches to high-achieving professionals. Packed with tips that show you how to shape your own work experience, *Don't Call It Quits* delivers an eye-opening look at what it takes to shift your mindset to get more out of your job and more out of life. *LinkedIn for Personal Branding* Sandra Long, 2016-09-15 Your online presence matters more than ever in today's global workplace. Professionals are logging in to LinkedIn in record numbers, so your profile needs to represent you in the best possible light before and after a meeting or interview. *LinkedIn For Personal Branding: The Ultimate Guide* is the leading strategic guidebook that most uniquely connects personal branding to the LinkedIn platform. Long's book provides a comprehensive view of personal branding using LinkedIn's profile, content sharing, and thought leadership capabilities. Additionally, Long has assembled a useful set of "How To" advice links that are available on a companion website. The website provides many resource pages and links related to each chapter. *LinkedIn for Personal Branding: The Ultimate Guide* is the ONLY LinkedIn book available that will do all of this for the reader. Provide an integrated personal branding and LinkedIn strategy needed for today's professionals in a Full Color book. Provide additional "how to" elements in a companion website so you can click over to see detailed instructions and keep updated. Provide dozens of examples and case studies from real LinkedIn users. Provide several personas and other prompts to help you write the best possible summary. *LinkedIn For Personal Branding* will help you to select and prioritize the best personal brand attributes for you, your career, and business. Be considered for more strategic assignments and business opportunities. Create an authentic personal and impressive profile that demonstrates expertise without appearing to brag. Consider all the ways you can demonstrate your personal brand both offline and online and how they work together. Be found online, increase the likelihood of being contacted by recruiters and sales prospects. Select the most memorable words, images, skills, and links. Learn best practices for each profile section and also see real examples. Write the most strategic and impactful headline and summary. Give and receive more endorsements and recommendations. Become a thought leader. Find and share content with your network. Blog using the LinkedIn Publisher functionality. Leverage LinkedIn Groups and Company pages. Measure your progress. And much more. This book is perfect for anyone interested in developing their personal brand using LinkedIn to propel their career or business opportunities. *Manager's Guide to Online Marketing* Jason Weaver, 2013-02-05 A

Online Personal Brand Ryan M. Frischmann, 2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be

visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap
