Frischmann,2014-07-19 Online personal branding is a requirement for all professionals The common argument of the experts is you have a digital footprint in social media and on the internet so people are already making impressions of you Take control of their perceptions More importantly you have an opportunity to proactively project your personal brand onto networks Two other advantages of personal branding are that it forces you to be visionary of your career goals and helps you land favorable employment This books shares a functional angle to personal branding that is refreshingly simpler than the

traditional marketing angle The definition of an online personal brand is the combination of a skill set an aura and an identity and there is discussion where the concepts overlap Digital You William Arruda,2019-10-01 What s your story The most successful brands aren t created they are unearthed Successful branding is based on authenticity So how do you reveal your own brand First by searching yourself for answers to questions like these What do you do better than anyone What are you most proud of What makes you lose track of time In Digital You Real Personal Branding in the Virtual Age branding authority William Arruda describes the 21st century world of personal branding and guides you to define express and expand your personal brand for the virtual world Branding is not about being famous Arruda explains it s about being selectively famous It s about more than social media excess When you understand the true value of personal branding you can use it as a serious career development strategy Digital You offers a deep dive to understanding and defining your unique promise of value making a great first impression mastering multimedia and ultimately expanding your network and promoting thought leadership You ll learn how to develop design and sustain a personal brand throughout the fluid movements of any career Understand how to be clear about your digital brand and your unique promise of value so you can increase your success and happiness at work and in life It s time to stop worrying about career extinction and start crafting a brand of distinction
