Creative Tools and the Softwarization of Cultural Production Frédéric Lesage, Michael Terren, 2024-01-17 This book explores how creativity is increasingly designed marketed and produced with digital products and services a process referred to as softwarization If being creative has developed into one of the paradigmatic architectures of power for framing the contemporary subject then an essential component of this architecture involves its material and symbolic configuration through tools From image editors to digital audio workstations video editors to game engines these modern tools are used by creatives every day and mastering these increasingly complex technologies is now a near compulsory pathway to creative work Despite their ubiquity in cultural production few have sought to theorize them in aggregate and with interdisciplinary breadth By bringing disparate creative and methodological traditions in one volume this book provides a comprehensive overview of approaches for understanding this complex emerging and dynamic field that speaks beyond the disciplinary categories of tool instrument and/or software It makes a unique intervention in the fields of

cultural production and the cultural and creative industries

Monetizing AI For Content Creators Ade

Suryani, 2025-06-26 Monetizing AI for Content Creators Strategies for YouTube Blogs and Podcasts Without Going Viral

Today's content creators face two major pressures: ever-changing algorithms and the mental exhaustion of staying constantly active. In the middle of this chaos, a new game-changer has arrived: artificial intelligence. This book reveals how creators can leverage AI to build a consistent, efficient, and profitable content production system without chasing virality. No fake promises, no shortcuts. Everything here is practical and ready to apply. What you'll learn from this book: How to turn raw ideas into high-quality content with the help of AI. A complete workflow to create YouTube videos, blog articles, and podcast episodes from scratch to monetization. Fast and accurate research methods without spending hours on Google. Strategies to build a strong digital presence even as a solo creator. How to create evergreen content that keeps generating traffic and income. SEO and storytelling tips to make your content not just popular but also relevant and discoverable. Smart systems for batching, repurposing, and distributing content using AI tools. Written in a tone that's light yet never underestimates the reader, this book helps you think like a modern creator: not just creative but strategic. You'll realize that the key is not a brilliant idea once in a while but a repeatable system that keeps you going without burnout. This is not about AI replacing humans; it's about helping creative humans work smarter with the right tools. If you're a blogger, YouTuber, podcaster, or digital creator looking to stay consistent without burning out, this book is your foundation.
