#### Freelancer Consultant hourly

If you can charge 100/hour you only need 5 hours of work to hit your target Online Store Profit margins vary but if you're selling a 50 product with a 30% margin you'd need to sell 34 products a day to hit 500 Side Gig Delivery Depending on the platform you might need to work 5-7 hours a day to reach 500 in delivery gigs

#### Step 2 Daily Consistency

Earning 500 a day requires consistency While there may be high earning days others will be slower Build a strategy to ensure that even on slower days you're still bringing in significant income

### Chapter 3 High Paying Freelancing Consulting

To stand out as a freelancer you need a portfolio that showcases your best work Here's how you can start Create a personal website or use platforms like LinkedIn or Behance Offer free or discounted work initially to build a reputation Ask for client testimonials once you have delivered successful projects

#### Step 2 Target High Value Clients

Focus on clients who can afford to pay premium rates Research industries that value your skill set and target businesses with larger budgets Higher paying clients are often in sectors like Technology Finance Healthcare Marketing E-commerce

#### Step 3 Specialize and Upskill

Specializing in a niche will make you more valuable For example becoming a graphic designer who specializes in web design for e-commerce stores can command higher rates than a generalist designer

### Chapter 4 Building Your Online Store

#### Step 1 Choose a Profitable Product

Find a product that has demand but is not oversaturated in the market Use tools like Google Trends or check Amazon's bestsellers to find ideas Focus on Niche products Target a specific group with specialized needs Subscription based models Offer subscription boxes for consistent monthly income High profit margin items Ensure your items can be sold at a markup that offers substantial profit

#### Step 2 Marketing and Traffic

[TikTok Tips For Affiliate Marketers](#)

Raymond Wayne, 2022-12-30

TikTok is a recently released social networking app that has become immensely popular. The young adult and teen demographics seem to be the most attracted to it. TikTok is a popular social media app with over 12 million daily users because it allows users to easily make and share short videos in a variety of formats with their friends, family, and followers. Affiliate marketers can benefit from the platform because it facilitates the creation of shareable, interesting content. Making videos that people actually want to watch is step one in developing an effective marketing plan for TikTok. Because videos on TikTok can be any length, unlike on YouTube or Instagram, businesses using the site need to create clips that are just a minute or two long at the most, or shorter. Marketers can increase the number of views their videos receive on TikTok by using trending hashtags related to their products and services. You don't need to wait to be accepted as a content creator on TikTok in order to start earning money with the app. TikTok's Content Creator Fund is only available to those who match certain criteria. You will not be kept waiting, which is excellent news. Including a LinkTree link in your bio is a great way to drive organic traffic to a website, online storefront, or landing page where you can promote your affiliate links and maybe make a sale. If you have multiple resources, link to your website and create a landing page with other links to your business assets. From one link, your followers can access a variety of links, or a landing page with one call to action. The social media app TikTok is centered around short video loops. As well as socializing and advertising, it has a wide range of practical applications. In affiliate marketing, one business endorses another in exchange for financial compensation and works well with the TikTok community. Have fun supporting other creators and engaging with them. Build relationships with TikTokers in your field and show your interest in their success. All ships rise in a high tide. Be a fan, too. Find TikTok accounts that you love for personal and business reasons. Comment, engage with them, and be part of what makes the TikTok community unlike any other social networking platform, and you can learn on the steps on monetizing your TikTok following with useful affiliate links. TikTok is one of many tools you can use to build a platform, support your other platforms, and engage a new audience. It's a simple and fun way to share content and help people find your resources.
