Succeeding as a Young Entrepreneur Harvey Morton, 2023-11-08 Succeeding as a Young Entrepreneur describes Harvey Morton s inspirational journey from being bullied at school told by teachers that he would never succeed to winning his first business award when he was fourteen years old Later becoming an Ambassador for Youth Employment UK and going on to work with a long list of well known brands including Sheffield Hallam University Santander and the BBC The importance of being passionate about the career you choose and giving back when you can to make a difference to others lives is highlighted While continuing to work hard towards achieving your goals irrespective of how many times you fail or become discouraged by negativity Similarly the necessity of assessing every risk you take learning how to do what you need to and not ignoring self development So that you can take advantage of opportunities and eventually create your own Until you truly are an entrepreneur The lessons in life and business which Harvey Morton shares in Succeeding as a Young Entrepreneur are an essential first step on the path to success

Crypto Millionaires Mateusz Mach, 2024-07-19 Blockchain the key to the world of cryptocurrencies a phrase that sounds like a promise of wealth But what exactly is Blockchain Unfortunately in most books articles and discussions it is either explained in a way that s hard to understand or oversimplified with unnecessary emotional baggage presented either technically or ideologically Some see Blockchain as a savior from greedy bankers while others view it as a tool for building cryptocurrencies that undermine central banks Which image is closer to reality The story of Blockchain is not just a tale of mathematical experiments It s primarily a story of the age old attempt to record human activities and the value that flows from them This time however the goal is to make it accessible to everyone on equal terms This book delves into the evolution and technical intricacies of Blockchain technology steering clear of the common focus on mere cryptocurrency speculation It clarifies complex concepts and underscores

Blockchain's capacity to revolutionize industries and empower individuals globally thereby demystifying the technology and making its profound potential accessible to everyone *Weekly Commercial News* ,1914 *Farm Implement News* ,1916
