Stay Home, Stay Happy Rachel Campos-Duffy, 2009-08-25 A warm inspiring and practical handbook for at home moms by a television celebrity and mother of five National television personality and mother of five Rachel Campos Duffy presents a new way of looking at stay at home motherhood that will transform the way readers view their days their family and their home With practical advice and candid engaging stories from her own life and other moms who are making it all work mothers will learn about Embracing the choice to stay home with joy and confidence Taking care of yourself guilt free How rekindling your relationship with your husband benefits the whole family Reveling in the chance to explore new passions and creative outlets And the 10 things that no mom can live without

Flex Mom Sara Blanchard, 2017-09-19 Motherhood doesn't have to mean losing yourself Most moms are grateful they make the choice to be a stay at home mom SAHM but after a couple of years they may feel like they're losing their mind The alternative is going back to work but that doesn't seem right either Flex mom is for mothers who want a third model of motherhood somewhere between stay at home mom and working mom This third way is to be the primary caregiver for their children while deliberately creating a path that fuels their passions leaving them fulfilled and confident Described as a melting pot of positive psychology and coaching with the humor and honesty of Anne Lamott's Bird by Bird Flex Mom helps moms make the fleeting childrearing years their best yet

It's Okay... To Want to Be a Stay-at-Home Mom Allie Turner, 2025-05 It's Okay To Want to Be a Stay at Home Mom is a heartfelt and honest guide for every mother silently wondering if choosing home over a career makes her less than Spoiler alert it doesn't If you've ever felt overwhelmed by mom guilt judged for your choices or stuck between your ambitions and your heart's deepest tug this book is for you Written by a mother who has experienced it all working full time part time and staying home full time this powerful book is a gentle companion for the mom wrestling with her identity With vulnerability and warmth the author dives into The emotional struggle of choosing to stay home The comparison trap and pressure to do it all The mental load of motherhood no one prepares you for The pros cons and hidden joys of being a stay at home mom How to reclaim your identity confidence and peace in the process How to have open honest conversations with your spouse about staying home including finances fears and shared goals Whether you're just thinking about staying home currently living it or transitioning out of it this book gives you permission to choose your own path without apology Because your version of motherhood is valid and you are more than enough

The Essential Stay-At-Home Mom Manual Shannon Hyland-Tassava, 2011-12 Are you a stay at home mom who loves at home motherhood yet sometimes feels stressed overwhelmed and lonely Do you know that your toddler's leftover fruit snacks plus a giant mug of coffee is not a nutritious

lunch but you're too tired and busy to eat better. Is your last kid free-outing a distant memory? If so, this book is for you. When psychologist Shannon Hyland Tassava transitioned from full-time working professional to full-time stay-at-home mom, she discovered that the path was far rockier than portrayed in parenting magazines and diaper commercials. Along with the joy of new motherhood came numerous obstacles to good emotional and physical health. In *The Essential Stay-at-Home Mom Manual: How to Have a Wonderful Life Amidst Kids and Chaos*, Hyland Tassava applies her expertise as a clinical psychologist to mothers' challenges, combining expert advice with relatable anecdotes, amusing blog excerpts, and wisdom from her own experiences. The result is an indispensable guide that includes both clinical self-help solutions for better emotional and physical health and practical strategies for making at-home motherhood easier and more fun. [In Praise of Stay-at-Home Moms](#) Dr. Laura Schlessinger, 2009-04-07 They number in the millions and they are incredibly important to families and to our society yet they are underappreciated, little respected, and even controversial. Who are they? They are the stay-at-home moms. These are women who know in their hearts that staying home to raise their children is the right choice for the whole family. Some do it from the outset of their marriages, while others make the difficult transition from career-driven women to homemakers. Either way, it is a choice that is incredibly rich and rewarding, not to mention challenging. Now Dr. Laura, building on principles developed during her long career as a licensed marriage and family therapist, provides a wealth of advice and support, as well as compassion and inspiration, to women as they navigate the wonders and struggles of being stay-at-home moms. Learn how to hold your head high and deal with naysayers to see the benefits of being home, not only for your children but also for your marriage, to understand the changes you see in yourself, to realize that the sacrifices you endure now will make for lasting bonds and a stronger family, in addition to a more cohesive community. *In Praise of Stay-at-Home Moms* is a special book, a profound and unique understanding of how important it is for mothers to raise their own children. [Time Out](#) Vera Nicholas-Gervais, 2002 This intimate, lighthearted portrait of real life as an at-home mother tells the untold story of the stay-at-home mom's experience, giving a voice to the full range of maternal feeling and acknowledging and validating women who've chosen the at-home mommy track. [In Praise of Stay-at-home Moms](#) Laura Schlessinger, 2009 **It Was Always Four** Renee Jones, 2021-09-23 Years before seeing the faint two lines that solidified their pending parenthood, Renee and Jim always dreamed of having four children. Having survived the first year of parenting three other times and with the reassurance of every mom blog she read, Renee was certain that making their dream of four children a reality wouldn't really be much different than their current crazy yet manageable life. Except it was. A challenging first year parenting four children left Renee confused, completely shaken, and desperate for a change. In pure panic, she begged her husband for a change of status. She wanted to become a stay-at-home mother, leaving behind the career she loved just months before finishing her graduate degree. Renee's journal shares her journey, met with the COVID-19 pandemic, providing an intimate look into her thoughts, lessons learned, and ultimate rediscovery of what brings her genuine joy. **The Ultimate Guide for First-Time,**
