**The A.I. Marketer** Andrew W. Pearson, 2019-04-15 We seem to be living in the age of A I Everywhere you look companies are touting their most recent A I machine learning and deep learning breakthroughs even when they are far short of anything that could be touted as a breakthrough A I has eclipsed Blockchain and Crypto as the buzzword of today Indeed one of the best ways to raise VC funding is to stick AI or ML at the front of your prospectus and AI at the end of your website Separating fact from fiction is more important than it has ever

been The A I Marketer breaks down A I machine learning and deep learning into five unique use cases sound time series text image and video and also reveals how marketing executives can utilize this powerful technology to help them more finely tune their marketing campaigns better segment their customers increase lead generation and foster strong customer loyalty Today Personalization the process of utilizing mobile social geo location data web morphing context and even affective computing to tailor messages and experiences to an individual interacting with them is becoming the optimum word in a radically new customer intelligence environment The A I Marketer explains this complex technology in simple to understand terms and then shows how marketers can utilize the psychology of personalization with A I to both create more effective marketing campaigns as well as increase customer loyalty Pearson shows companies how to avoid Adobe s warning of not using industrial age technology in the digital era Pearson also reveals how to create a platform of technology that seamlessly integrates EDW and real time streaming data with social media content Analytical models and neural nets can then be built on both commerical and open source technology to better understand the customer thereby strengthening the brand and just as importantly increasing ROI

*Rethinking the North American Long Poem* Ridvan Askin, Julius Greve, 2024-12-15 For centuries critics poets poet scholars and philosophers have either openly proclaimed or tacitly assumed the long poem as the highest expression of literary ambition and excellence *Rethinking the North American Long Poem* focuses on the North American variant of this notorious form notorious because of its often forbidding and difficult character particularly with respect to the dialectics of content and form aesthetics and politics matter and genre In nine essays and a contextual introduction the editors and contributors scrutinize seminal long poems by North American writers including Walt Whitman s *Song of Myself* Ezra Pound s *The Cantos* Muriel Rukeyser s *The Book of the Dead* and Charles Olson s *The Maximus Poems* They also explore recent efforts that have redefined or reopened the case of the long poem including Rachel Blau DuPlessis s *Drafts* M NourbeSe Philip s *Zong* and Claudia Rankine s *Citizen* Taking the categories of form matter and experiment as frames of conceptual reference the book examines the ways in which material and immaterial aspects of literary practice and the philosophically and politically inscribed duality of experience and experiment are negotiated in and by North American long poems from the nineteenth century to the present
