**Storytelling: How to Captivate and Engage Audiences Across Multiple Platforms** Andrea Phillips, 2012-06-21 A guide to Transmedia Storytelling It is buzzword for a new generation a revolutionary technique for telling stories across multiple media platforms and formats and it's becoming the go-to strategy for businesses It also shows you how to utilize the marketing tools used by heavy hitters such as HBO and Sony Pictures at a fraction of cost

*Media Authorship* Cynthia Chris, David A. Gerstner, 2013 Contemporary media authorship is frequently collaborative participatory non-site specific or quite simply goes unrecognized In this volume media and film scholars explore the theoretical debates around authorship intention and identity within the rapidly transforming and globalized culture industry of new media Defining media broadly across a range of creative artifacts and production cultures from visual arts to videogames from textiles to television contributors consider authoring practices of artists designers do-it-yourselfers media professionals scholars and others Specifically they ask What constitutes media and authorship in a technologically converged globally conglomerated multiplatform environment for the production and distribution of content What can we learn from cinematic and literary models of authorship and critiques of those models with regard to authorship not only in television and recorded music but also interactive media such as videogames and the Internet How do we conceive of authorship through practices in which users generate content collaboratively or via appropriation What institutional prerogatives and legal debates around intellectual property rights fair use and copyright bear on concepts of authorship in new media By addressing these issues *Media Authorship* demonstrates that the concept of authorship as formulated in literary and film studies is reinvigorated contested remade even reauthored by new practices in the digital media environment

*The Complete Guide to Becoming a UGC Content Creator and How to Get Started* Jai

Cadell, 2024-02-27 UGC content creators are people who create UGC on behalf of their companies They are often employees or contractors who are given specific tasks to create UGC under the company's brand The UGC they create is often a work of

art and may be considered copyrighted by the artist which then falls within a company's brand guidelines. Some examples are:  
A marketing team creates videos UGC to advertise their product  
A YouTube channel creates videos related to their product  
or service  
A Facebook page uses images from users' photo albums in an ad
