Tom Berty, 2025-10-26

What if I told you that starting your own business no longer depends on having a fat bank account? That the biggest barrier to your entrepreneurial dreams isn't money, it's knowing where to start? Enter the AI revolution. With free AI tools at your fingertips, you can brainstorm, create, market, and even automate a business almost entirely on your own. This book isn't just theory; it's a hands-on guide to turning your ideas into real businesses fast.

Inside, you'll discover 50 actionable business ideas you can start with little or no money, all powered by free AI. From service gigs to creative projects, digital products, local businesses, and side hustles with serious growth potential, this book walks you step by step through building your business, testing it, and scaling it all while letting AI handle the heavy lifting.

You'll meet your new AI business partner: tools like ChatGPT, Google Gemini, Canva, CapCut, and more. And you'll learn how to set up your AI toolbox to brainstorm, plan, write, design, and market like a pro, even if you've never done it before.

You'll discover how to test ideas quickly, validate demand without spending a dime, and start small while thinking smart. Want to launch a service business this week? You'll learn how to sell skills you already have, even if you think you don't have any.

From AI-assisted virtual assistants to social media managers, blog writers, resume optimizers, and small business automation consultants, every idea comes with demo prompts you can use right now.

Feeling creative? AI can help you design logos, generate print-on-demand art, create videos, e-book covers, and more, all in record time.
