HWM ,2002-03 Singapore s leading tech magazine gives its readers the power to decide with its informative articles and in depth reviews **All the News That's Fit to Sell** James T. Hamilton,2011-10-23 That market forces drive the news is not news Whether a story appears in print on television or on the Internet depends on who is interested its value to advertisers the costs of assembling the details and competitors products But in *All the News That s Fit to Sell* economist James Hamilton shows just how this happens Furthermore many complaints about journalism media bias soft news and pundits as celebrities arise from the impact of this economic logic on news judgments This is the first book to develop an economic theory of news analyze evidence across a wide range of media markets on how incentives affect news content and offer policy conclusions Media bias for instance was long a staple of the news Hamilton s analysis of newspapers from 1870 to 1900 reveals how nonpartisan reporting became the norm A hundred years later some partisan elements reemerged as for example evening news broadcasts tried to retain young female viewers with stories aimed at their Democratic political interests Examination of story selection on the network evening news programs from 1969 to 1998 shows how cable competition deregulation and ownership changes encouraged a shift from hard news about politics toward more soft news about entertainers Hamilton concludes by calling for lower costs of access to government information a greater role for nonprofits in funding journalism the development of norms that stress hard news reporting and the defining of digital and Internet property rights to encourage the flow of news Ultimately this book shows that by more fully understanding the economics behind the news we will be better positioned to ensure that the news serves the public good *PC Mag* ,2005-12-06 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology
