*Why Diversity, Equity, And Inclusion Matter: Challenges And Solutions* Bin Srinidhi, 2023-12-05 This book integrates the current research on diversity equity and inclusion with corporate practice and describes how these initiatives affect organizations morale performance and output Academic researchers corporate executives tasked with implementing Diversity Equity Inclusion DEI and regulators face the problem of balancing DEI initiatives which could generate diverse ideas beneficial to the organization with concerns about diluting meritocracy Building a diverse workforce could improve both organizational well being and social harmony Research has shown that building a diverse workforce often results in communication and coordination issues and unjustified pay and performance gaps engendering feelings of exclusion among diverse individuals The book describes how organizations address these issues in various settings ranging from accounting firms to health care providers It covers settings with gender and racial diversities and clarifies the difference between equality and equity Its coverage includes dealing with concealable disabilities and promoting equity across diverse populations in organizational and social settings

*The Millennial Land (The Author's Autobiography)* Eric C. Dohrmann, 2020-08-26 After successfully publishing the first six books of The Family Bible Studies Series I thought it would be good to personalize the book series and finish it with my personal autobiography As people follow authors and their writings they often become curious about their background and personal experiences including the hurdles they had to overcome to complete their goals and to reach the vast populous of the world we live in for today and the days to come The Family Bible Studies Series has been put together to be a very helpful tool for individuals and parents to have personal Bible studies for themselves and with the family Even grandparents will find this series very personally beneficial and a great teaching aid to pass on to their grandchildren and others as well see Deut 4 9 6 1 2 This series is also an excellent guide for counselors premarriage and remarriage foundation church leadership Bible studies for support to individuals and family development and youth group Bible studies All ages can certainly benefit from the practical topics and foundational studies included in The Family Bible Studies Series Enjoy the many discoveries to be found for individuals and the family in The Family Bible Studies Series A complete listing of all the books is found at the end of this book

**The Theft of a Decade** Joseph C. Sternberg, 2019-05-14 A Wall Street Journal columnist delivers a brilliant narrative of the mugging of the millennial generation how the Baby Boomers have stolen the millennials future in order to ensure themselves a comfortable present The Theft of a Decade is a contrarian revelatory analysis of how one generation pulled the rug out from under another and the myriad consequences that has set in store for all of us The millennial generation was the unfortunate victim of several generations of economic theories that made life harder for them than it was for their grandparents Then came the crash of 2008 and the Boomer generation s reaction to it was brutal politicians and policy makers made deliberate decisions that favored the interests of the Boomer generation over their heirs the most egregious being over the use of monetary policy fiscal policy and regulation For the first time in recent history policy makers gave up

on investing for the future and instead mortgaged that future to pay for the ugly economic sins of the present This book describes a new economic crisis a sinister tectonic shift that is stealing a generation s future *The Truth about Transformation* Kevin Novak,2023-07-22 Any organization that seeks transformation desires to take advantage of new opportunities and growth Most organizations turn to technology as the major driver of change But technology is an enabler not a silver bullet Mistaking technology for transformation will lead an organization to failure True transformative change requires an understanding of the human factors at play how conscious and subconscious behaviors can derail any plan and how society is influencing your organization Change is the only constant An evolving reality is emerging one that will fundamentally change who we are how we work and how organizations will be relevant today and in the future The truth about transformation is not what you may think This guide to organizational transformation will surprise confound provoke and challenge every ingrained belief The future is out there and the truth about transformation will change how you lead
