**Professionalizing Your English Language Teaching** Christine Coombe, Neil J Anderson, Lauren Stephenson, 2020-10-22 Written by leading experts in the field of TESOL this book explores the literature on various topic areas and demonstrates how teachers can increase their levels of professionalism by acquiring some general and field specific strategies Being a teaching professional is not simply about having the right teaching qualifications and good academic standing it involves a commitment to being innovative and transformative in the classroom and helping both students and colleagues achieve their goals A dictionary definition of professionalism reads as follows professionalism is the conduct aims or qualities that characterize or mark a profession or a professional person and it defines a profession as a calling requiring specialized knowledge and often long and intensive academic preparation Merriam Webster 2013 However

according to Bowman 2013 professionalism is less a matter of what professionals actually do and more a matter of who they are as human beings Both of these views imply that professionalism encompasses a number of different attributes and together these attributes identify and define a professional The book is primarily intended for teachers at all levels and in all contexts who are interested in improving their professionalism and developing strategies that can take them to higher levels in the field of TESOL ELT
