The Field Guide to Teaching Richard J. Marchesani, 2007 The goal of *The Field Guide to Teaching A Handbook for New Teachers* is to provide very specific and practical guidance for those who are entering the teaching profession The book offers guidelines hints and fundamental information geared to help the novice teacher avoid common pitfalls and to make a start on the road

to becoming a professional educator It is written from the point of view that those who read the book are unfamiliar with the profession beyond the training they have or will receive in their college teacher preparation program or other alternate route program Publisher s website **Wait Five Minutes** Shelley Ingram, Willow G.
