the number of active TikTok users topped 1.2 billion in the month of March 2022. Over six hundred and fifty million people had downloaded the TikTok app by the time the year 2021 came to a close and 2022 began. TikTok users spent a total of 2.3 billion in 2021 in the form of consumer spending on the platform. One of the reasons for TikTok's appeal is the short video format which is quite popular particularly among younger people. This format has gained a lot of traction in recent years. Because TikTok today has more than 1.2 billion active users it is highly likely that you will be able to locate your target demographic on the network. You are able to locate TikTok influencers that are already well known on the network and collaborate with them to target certain geographic areas. A user is considered to be a micro influencer by TikTok if they have at least 10,000 followers and it is common for these individuals to have a sizable following in the region in which they reside. However it is essential that you have the right mindset and that you develop the necessary skills in order to be able to use TikTok to make your business go viral. Getting the marketing plan for your TikTok channel just right is not a simple feat. On TikTok numerous companies have wasted their time and resources attempting to sell their brands products and services. If you want to get the most out of your efforts to promote your company on TikTok and to create videos for it you need to educate yourself on how to do so in the most effective manner. You have a responsibility to educate yourself on the advantages of incorporating TikTok into your online marketing approach as well as the means by which you can amass a greater number of views and followers.
