Routledge Handbook of Trends and Issues in Tourism Sustainability, Planning and Development, Management, and Technology Alastair M. Morrison, Dimitrios Buhalis, 2023-09-12. The Handbook offers a comprehensive overview of theoretical and practical perspectives for tracking and interpreting trends and issues in tourism sustainability, planning, and development, management, and technology. Tourism is a dynamic and unpredictable industry, and understanding its trends and issues is critical for the successful and sustainable development of the private and public sector. As such, this Handbook proposes clear definitions and provides a systematic classification scheme for such analysis. It reviews trends and issues in four thematic areas: tourism sustainability, planning and development, management, and technology, with contributions from 83 leading tourism scholars from across the globe. The Handbook provides insights on the differences among domestic, outbound, and inbound markets and acknowledges that the supply sub-sectors of tourism are diverse, highlighting variations by geographic regions. The book emphasises the necessity to prioritise sustainability and the achievement of the UN's Sustainable Development Goals (SDGs). Students and professionals interested in tourism, hospitality, and sustainability will find a wealth of multidisciplinary knowledge in this Handbook.

The World Is Your Office Prithwiraj Choudhury, 2025-04-22. A research-based deep dive into a growing phenomenon: companies allowing employees to work from anywhere and how those who adopt this model can boost talent, innovation, and productivity. As the debate around remote versus in-office work rages on, leaders in a wide range of industries continue to implement radically flexible work practices, allowing most if not all of their employees to work from anywhere. Why? They understand that geographic flexibility offers a competitive advantage: the ability to attract and retain top talent globally. In *The World Is Your Office*, Harvard Business School professor Prithwiraj Choudhury, who has been studying this phenomenon for over a decade, takes readers
