communication law is essential reading for anyone who writes or broadcasts professionally whether in journalism or strategic communication. It offers a mindful approach to assessing media law risks so practitioners can navigate legal and ethical barriers to publishing in mainstream and social media. This sixth edition has been substantially revised to reflect recent developments in litigation and the impact of national security laws and the rising gig economy where graduates might work in the news media, PR, new media start-ups or as freelancers. It covers defamation, contempt, confidentiality, privacy, trespass, intellectual property and ethical regulation as well as the special challenges of commenting on criminal allegations and trials. Recent cases and examples from social media journalism and public relations are used to illustrate key points and new developments. Whether you work in a news room, in public relations or marketing or blog from home, make sure you have *The Journalist's Guide to Media Law* at your side. Whether you're an MSM editor or reporter, a blogger, a tweeter or a personal brand, this book might save your bacon. Jonathan Holmes, former ABC Media Watch host. The leading text book from which most journo's learned their law. Margaret Simons, associate professor in journalism, Monash University.
