**Dennis C. Benson, Bill Wolfe**

## **Essential Short Form Content Ideas For Teens:**

*Literacy Essentials* Regie Routman, 2023-10-10 In her practical and inspirational book *Literacy Essentials* Engagement Excellence and Equity for All Learners author Regie Routman guides K 12 teachers to create a trusting intellectual and equitable classroom culture that allows all learners to thrive as self directed readers writers thinkers and responsible citizens Over the course of three sections Routman provides numerous Take Action ideas for implementing authentic and responsive teaching assessing and learning This book poses a key question How do we rise to the challenge of providing an engaging excellent equitable education for all learners including those from high poverty and underserved schools Teaching for Engagement Many high performing schools are characterized by a thriving school culture built on a network of authentic communication Teachers can strengthen classroom engagement by building a trusting and welcoming environment where all students can have a safe and collaborative space to grow and develop Pursuing Excellence Routman identifies 10 key factors that describe an excellent teacher ranging from intellectual curiosity to creativity and explains how carrying yourself as a role model contributes to an inclusive caring empathic and fair classroom She also stresses the importance for school leaders to make job embedded professional development a top priority Dismantling Unequal Education The huge gap in the quality of education in high vs low income communities is the civil rights issue of the 21st century according to Routman She spells out specific actions educators can take to create more equitable schools and classrooms such as diversifying texts used in curriculums and ensuring all students have access to opportunities to discuss reflect and engage with important ideas From the author I wrote *Literacy Essentials* because I saw a need to simplify teaching raise expectations and make expert teaching possible for all of us I saw a need to emphasize how a school culture of kindness trust respect and curiosity is essential to any lasting achievement I saw a need to demonstrate and discuss how and why the beliefs actions knowledge we hold determine the potential for many of our students Equal opportunity to learn depends on a culture of engagement and equity which under lies a relentless pursuit of excellence Inequality in Key Skills of City Youth Stephen Lamb, Russell W.

Rumberger, 2024-01-01 This groundbreaking research volume addresses the topic of educational inequality from a global perspective It includes 16 chapters from an international group of scholars who examine how well city school systems from around the world are preparing young people particularly poor and minority students with the skills they will need for further study work and life overall While skills in key domains such as science math language and civics have been center stage in international comparisons there has been growing recognition of the effects that education has on the development of broader sets of capabilities such as social and emotional skills also known as noncognitive or 21st century skills that can affect the success of students in school and beyond This volume aims to address the shortage of international data on the wide range of skills that students need to learn enabling researchers to compare the types and causes of educational inequality in skills within and between cities Habit Loops and Viral Content: The Psychology Behind Our Digital Lives

Riley Sutton,2025-09-16 Discover the fascinating psychological forces shaping our digital lives in Habit Loops and Viral Content This insightful book explores how habits form through cues routines and rewards and how social media platforms cleverly exploit these mechanisms to keep us hooked Uncover the neuroscience behind dopamine driven addiction attention span challenges and cognitive overload especially among Gen Z and young adults Learn practical strategies for digital detox mindfulness and self regulation to foster healthier online habits With compelling insights into social media s impact on mental health identity and emotional well being this book empowers you to take control of your digital experience and build a more balanced mindful relationship with technology     *Digital Populism and the Use of Neo-Propaganda and Fake News*

Vieira, Andreia Teles,Joaquim, Ana Filipa,Duarte, Alexandre,2025-05-07 As populism grows across global democracies the integration of new technologies has significantly amplified the use of propaganda techniques and the spread of fake news Tools like social media and artificial intelligence AI make digital technologies privileged vehicles for populist communication Due to the use of fallacies propaganda is confused with fake news though these techniques are broader and based on political strategies to manipulate public opinion With the advent of new technologies and the ever increasing incorporation of AI into social life political parties are facing a form of two way communication without intermediaries meaning they can directly reach and influence the public with reduced costs Understanding the social impact of digital propaganda may help foster political literacy among civil society *Digital Populism and the Use of Neo Propaganda and Fake News* explores various populist parties aiming to identify and understand their use of propaganda and fake news It provides a comprehensive global vision of populism in different nations and examines the communication strategies based on propaganda and disinformation Covering topics such as social media computational propaganda and political rhetoric this book is an excellent resource for political analysts journalists sociologists government officials policymakers researchers academicians and more     **A**
