Battelle Business 2.0 **The Art of Compassionate Business** Bruno R. Cignacco, 2023-12-01 There are several well

ingrained assumptions regarding the dynamics of work and business activities which can be refuted. Some examples of these widespread assumptions in business and work environments are employees being viewed as commodities, competitors perceived as threats, companies' resources seen as limited, and customers perceived as scarce and difficult. All this leads to the question: Is there a way to perform business activities more humanely? The second edition of this book challenges the reader to change the way they perform in business situations and become more focused on the human aspects of business activities. The users of this knowledge and those affected by them will undergo a profound transformation in the way they perform business activities. They will benefit from gradually testing and implementing the guidelines conveyed in this book both in the business environment and in the workplace. When readers put these principles into practice, positive ripple effects are bound to affect other stakeholders of the organisation they work for or own. The author has refreshed all the concepts and examples introduced in the first edition which include aspects related to mission and vision, passion, business mindset, organisational learning, improvement of business conversations, use of constructive criticism, and betterment of relationships with the most relevant stakeholders: customers, suppliers, intermediaries, community, employees, etc. The author also includes a discussion of creativity and the innovation process as well as other relevant aspects related to a healthy business environment and provides various real-life examples of companies which have adopted a loving attitude towards their stakeholders, which has become so important in the current business environment.

**Launch Your Inner Entrepreneur: 10 Mindset Shifts for Women to Take Action, Unleash Creativity, and Achieve Financial Success** Charlene Walters, 2021-02-23. Practical specific advice and strategies to help women develop an entrepreneurial mindset. Entrepreneurship has always skewed male from availability of funding to how-to books that assume a primarily male audience. And yet 36% of all small business or franchise owners are women and there are 13 million female-owned businesses contributing to more than 1.8 trillion in revenue. Now with a fast-changing economy making traditional employment unsteady, there's never been a better time for becoming a fempreneur. In *Launch Your Inner Entrepreneur*, Charlene Walters provides the tools you need to successfully launch and grow your side hustle, start-up, or small business. As a mentor on *Entrepreneur* magazine's Ask an Expert forum and developer of a digital entrepreneurship MBA program, Walters knows what you're facing and can help you avoid common mistakes, find your niche, build up your personal brand, and reach your entrepreneurial goals. You'll find the practical, real-world advice necessary to create the opportunities you want by embracing ten Mindset Shifts, including: Embracing an Entrepreneurial Attitude, Cultivating Financial Confidence, Branding and Building Presence, Leveraging Social Media Options, Leading Your Startup, Going into Growth Mode, Rebooting, Repeating, and Avoiding Burnout. Along the way, packed with smart tips and hard-won wisdom, *Launch Your Inner Entrepreneur* concludes with a special bonus section: the Fempreneur Action Plan, which includes a business concept and planning worksheet, visual brand style guide, resilience and setback survival exercise, and more to help you put the Mindset Shifts into action now.
