Create And Be Recognized:

Create and Be Recognized John Turner, Deborah Klochko, Roger Cardinal, 2004-09-09 *Create and Be Recognized* is the first survey of a compelling always surprising art form outsider photography Presented here is the work of seventeen largely self taught artists who have used photography or photographic elements in their creations including such luminaries as Adolf Wolfler Howard Finster and Henry Darger as well as discoveries from little known equally dramatic artists As with most outsider art the work here is fuelled by singular passions marginalized mindsets and extreme circumstances falling outside mainstream picture making Employing collage affixing photos or reproductions to a background photocollage photographs cut and pasted together to form a new whole and tableaux works based on manipulation and staging the artists here present work that is by turns lyrical and frightening and always fascinating Published to coincide with a major touring exhibition of the same name originating at San Francisco's Yerba Buena Center for the Arts *Create and Be Recognized* documents an emerging and important facet of contemporary photography

Entrepreneurs John Thompson, Bill Bolton, 2024-05-31 What does it take to be or to become a successful entrepreneur Are there specific personality types that are best suited to entrepreneurship And can these types or rather the attributes that combine to forge them be learned or acquired In this book John Thompson answers these questions and many more to let the reader see through the eyes of the entrepreneur *Entrepreneurs Talent Temperament Opportunity and Mindset* introduces the world of entrepreneurship from a person centred perspective Part 1 builds an understanding of the entrepreneur as a person based on the key factors of talent and temperament a unique framework for understanding and exploiting entrepreneurial opportunities Part 1 also explores the entrepreneurial mindset and how it can be honed and strengthened The process of starting and growing a business is then described in detail in Part 2 which also examines entrepreneurship in the context of opportunity and strategy Part 3 introduces the infrastructure and environment in which the entrepreneur has to operate and tells the stories of famous entrepreneurs through dozens of case vignettes including classic figures such as Henry Ford through to social entrepreneurs and even anti social entrepreneurs such as Al Capone This insightful empirically based take on the entrepreneur provides students with an accessible and original way into entrepreneurship Whatever their background students at all levels will value the author's accessible writing style and invaluable insights
