Creative Bible Teaching Lawrence O. Richards, Gary J. Bredfeldt, 2020-08-04 Bring the Bible to Your Students like Never Before Communicating the Scriptures is much like building a bridge However instead of ravines or rivers the teacher must span both cultural boundaries and great gulfs of time between the present and the pasts of Moses David Jesus and Paul Though God's Word is always relevant the teacher must help students see Scripture's vast treasures The effective engaging Bible teacher must therefore become creative Together Lawrence Richards and Gary Bredfeldt have created the ultimate guide to building bridges for those seeking to learn about God's Word Creative Bible Teaching offers a five step process by which Christian educators can construct a bridge across time geography and culture to help students of all ages connect with God's Word This newly revised edition makes learning about God's Word more accessible for both teachers and students today Simple clear and memorable the method laid out in Creative Bible Teaching provides a sure fire way of communicating God's Word in a way that sticks Creative Bible Learning for Adults Monroe Marlowe, Bobbie Reed, 1977 This ICL leader's handbook presents the principles of adult learning as well as teaching methods **Creative Bible Lessons in John** Janice Ashcraft, Jay Ashcraft, 1996-01-23 Kids encounter Jesus face to face through this creative and powerful study of the Gospel of John Each of the 12 complete lessons includes active learning techniques that help keep kids interested and involved bringing the Gospel to life and show kids that the message is just as relevant for them as it was for the people in John's time Includes tips clear outlines and ideas for leaders **A Creative Bible Learning for Youth** C. **Creative Bible Lessons on the Trinity** Andrew A. Hedges,2012-03-13 The

Trinity can be one of the most difficult ideas in the Bible to understand How can our God be made up of three different people Andrew Hedges answers this question in *Creative Bible Lessons on the Trinity* an in depth guide perfect for small groups and student discussions Divided into three sections one for each aspect of the Trinity this book presents students with a clear understanding of the role each part plays Biblical evidence is supplemented with discussion questions so your small group can talk about how they see the Father Son and Holy Spirit work in their own lives *Creative Bible Lessons on the Trinity* also includes a guide to identifying and working with different learning styles so you can connect effectively with each of the students in your small group With this knowledge you ll be able to effectively teach your students to incorporate what they learn about the Trinity into their day to day lives **The Youth Worker's Guide to Creative Bible Study** Karen Dockrey,1999-04-01 With Jesus as a guide *The Youth Worker s Guide to Creative Bible Study* demonstrates tried and true methods for guiding youth to read their Bibles discover Bible facts understand Bible meaning and then live Bible truth

**Creative Bible Lessons in Genesis** Hoon Kim,2009-05-26 *Creative Bible Lessons in Genesis* follows the work previously done with other studies in the series What makes this volume different is that it is sensitive to the influence of postmodernism on today s culture and values it complements the widespread use of multimedia and is experiential in approach With a desire to be relevant it does not scan Scripture but intends to be scripturally thorough and accurate with an understanding that the power of the studies is ultimately found in the biblical text Because much of what is understood to be truth today is arrived to by subjective interpretation there is a strong but subtle element in the studies that highlights the Imago Dei image of God in man The blueprint of the Trinitarian God in man is perhaps the sturdiest bridge between postmodern experiencisms and ultimate truth and reality In order to emphasize these elements Bible studies include projection games helps and visuals Also many of the studies are highlighted by a participation which attempts to be close to the text account There are small group and large group elements that have been developed with the technologically savvy student in mind *Creative Bible Lessons in Genesis* follows the lives of various individuals in Genesis In a world where communication is less face to face and more screen to screen family breakdowns are the norm rather than the exception and role models often communicate debatable values an anchor for life can only be found in the God who does not change Human nature can only be satisfactorily understood through the image of God in man and that all behavior desires and actions people take are ultimate acts of worship and desire for God The return to the Imago Dei in man is the clearest way to present absolute truth to a relative society in that it is able to posit a valid argument for God and faith from an intellectual and logic platform as well as from a subjective emotional experiential platform **CREATIVE BIBLE LEARNING FOR ADULTS.** Monroe MARLOW,1971 *Creative Bible Lessons in Essential Theology* Andrew A. Hedges,2009-09-13 As a youth worker you have certainly spent much of your time addressing the current issues facing teens but have you stopped to think about what may be behind students behavior Many of the not so wise choices students make are the result of a confused worldview

that comes from uncertainty about who God is It s easy for students to dismiss the truth when they learn from the world that all truth is relative Creative Bible Lessons Essential Theology uses a conversational approach to give students a theological foundation to better understand God and his purpose for how to live their lives Throughout the twelve sessions of this study students will learn how creation provides evidence of God s existence look at how God has chosen to reveal himself through his Word learn to live lives that reflect God s love for them understand their need for God s direction commit to following God s will as they make life decisions discover how God s invitation to enter his kingdom affects the direction of their lives examine where they are with God on a personal level Following in the tradition of the bestselling Creative Bible Lessons series you ll find audio visual and hands on activities to engage your students in the pursuit of theology And because every student learns differently each lesson includes options to help you reach your particular group of students whether they learn best from imaginative analytic common sense or dynamic teaching styles With all these tools at your disposal you are guaranteed to get your students fired up for seeking God and his plan for them

**Creative Bible Lessons in Revelation** Randy Southern,2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers You try to convince yourself that the apostle John is just another New Testament writer kindly gentle loving You know normal But he s just so weird Most of the time you have no idea what John is talking about in his revelation When you must interact with his wild otherworldly book you escape as soon as you can to familiar saner Bible texts Like Matthew s Gospel or one of Paul s letters after all they straight up tell you what Jesus did and what you should do Yet Creative Bible Lessons in Revelation will quickly convince you and your students that St John wasn t so much a crazy guy as he was a visionary inspirational and worshipful guy And you don t have to subscribe to any pre or post eschatology theory in order to learn all sorts of good stuff from the apostle So while these 12 sessions complete and ready to teach won t help your students identify who the antichrist is or give them the coordinates of
