<u>Creating Meaningful Funeral Ceremonies: A Guide for Families</u> Alan D. Wolfelt,1999-12-01 Designed to complement the clergy and funeral director s role in the funeral planning process this book walks families through the many decisions they will make at the time of a death and helps them create a ceremony that will be both healing and meaningful Options are clearly explained and alternatives are also given and charts and tables are included to help families assess cost options

Creating Meaningful Funeral Experiences Alan D Wolfelt, 2003-10-01 Written in response to the current trend to deritualize death and funeral ceremonies this book explores the ways in which caregivers and clergy can create heartfelt ceremonies that help the bereaved begin to heal Explaining the purposes behind rituals it reviews the many ways these have changed over the years and argues for a return to authentic personalized and meaningful funeral ceremonies. The qualities in caregivers that make them effective funeral planners are examined and practical ideas for creating authentic personalized and meaningful funeral ceremonies are provided Trends toward the prevalence of cremation are discussed as are trends away from viewing and spending time with the body of the deceased This replaces 1879651084 **Creating Meaningful** Funeral Experiences Alan D. Baum, 2007-11-28 Words can fail even the most articulate when called upon to speak at a loved one's funeral or memorial occasion. The bereaved desires to say something meaningful yet services are often held so quickly that there is little time to find something appropriate at the library or bookstore This book is a collection of poetry and prose appropriate for reading at a funeral or memorial service To assist the reader in finding a suitable passage the book is divided into eleven chapters. There are tributes for mothers fathers children spouses and soulmates friends siblings and other close relatives soldiers and victims of war or violence pets and general readings appropriate for men women or any loved one These selections will also prove helpful for clergy counselors and hospice hospital and funeral professionals Appendices list resources and support organizations and each selection is indexed by author title and first line A special additional index references pieces by famous uses such as in a film novel or celebrity s funeral so readers can locate a passage they remember from its context **A Tale of Two Funerals** Dr. Alan Wolfelt, 2016-08-01 Meet the Williams family Grandma Williams has died and her children call Night Day Funeral Home to make arrangements Courtesy of a Twilight

Zonesque space time anomaly the Williams family ends up concurrently planning and holding two funerals for Grandma one arranged by funeral director Sam Standard and the other by funeral director Garrett Gatekeeper How will the two funerals turn out Will the Williams family even be able to tell the difference Find out in this riveting and revealing Tale of Two Caring for Donor Families Raelynn Maloney, Alan D. Wolfelt, 2011-04-01 Integrating vital information on the dynamics of the donation experience and grief education this revised second edition provides an invaluable resource for hospital and organ procurement caregivers Going beyond helping professionals understand the challenges of obtaining consent this guide invites them to offer compassionate care throughout the family s experience with the death including the months and years following The chapters include information on understanding the family s initial responses helping families understand brain death facilitating the donation discussion assisting families with meaningful leave taking rituals understanding long term grief responses and establishing an ongoing family support program Three easy to follow sections before during and after the donation experience quarantee that caregivers can easily access the section most relevant to their role with the family Pastoral Care for Survivors of a Traumatic Death Jeonghyun Park, 2017-11-07 Modern life has led to an increase in traumatic deaths such as accidents murders suicide and other types of unanticipated violent death Family members and friends grieving a traumatic death face enormous shock numbness and despair as well as the need to find hope and God's mercy and grace in the midst of chaos difficult guestions and confusion The Christian church and faith community often do not provide appropriate pastoral care to help the bereaved overcome their despair Jeonghyun Park explores the unique characteristics and dynamics of traumatic grief or grief in response to traumatic death and present several approaches to pastoral care The survivors of a traumatic death are likely to ask pastors spiritually despairing and tough questions such as Where is God in this tragic death If we have to accept this new reality where can we find God s grace and mercy power and justice Pastors and other spiritual leaders can provide comfort to the loved ones of victims of traumatic death by assisting them with their questions concerning a helpless God and a cruel God This book offers new insights through specific pastoral care models and guidance for families needing healing recovery and meaningful rituals

Friendgrief Harold Ivan Smith,2018-09-17 This book not only examines friendgrief from a theoretical and clinical framework but also Smith offers fascinating vignettes from the lives of well known friendgrievers such as Elton John Diane Sawyer Ralph Abernathy C S Lewis Harry Truman Tommy Lasorda Jimmy Carter Fritz Mondale Bill Clinton Calvin Trillin and Alan King The author includes moving narratives of numerous individuals who have never gained notoriety but have become seasoned friendgrievers Healing The Bereaved Child Alan Wolfelt,2013-12-19 First published in 1996 One spring morning a gardener noticed an unfamiliar seedling poking through the ground near the rocky untidy edge of his garden So begins the parable that sets the tone for this inspiring heartfelt new book for caregivers to bereaved children By comparing grief counseling to gardening Dr Wolfelt frees caregivers of the traditional medical model of bereavement care which implies

that grief is an illness that must be cured He suggests that caregivers instead embrace a more holistic view of the normal natural and necessary process that is grief He then explores the ways in which bereaved children can not only heal but grow through grief Healing the Bereaved Child also contains chapter after chapter of practical caregiving guidelines How a grieving child thinks feels and mourns What makes each child's grief unique How the bereaved child heals the six needs of mourning Foundations of counseling bereaved children Counseling techniques play art writing nature and many others more than 15 pages A family systems approach to counseling Support groups for bereaved kids including a 10 session model Helping grieving children at school including a crisis response team model Helping the grieving adolescent Self care for the child's bereavement caregiver A must read for child counselors hospice caregivers funeral directors school counselors and teach ers clergy parents anyone who wants to offer support and companionship to children affected by the death of someone loved Death, Mourning and Caring Robert L. Marrone, 1997 This text while strongly academic comprehensive practical and contemporary offers an exceptionally warm and personalized writing style appropriate to the subject matter It offers both a multi diciplinary approach and a cross cultural perspective Unique Caring Insight feature supplies practical helpful tips for the reader Chapter 12 Resources is a comprehensive guide to organizations periodicals books and Web sites
