Creating Wealth Retire In Ten Years Using Allens Seven Principles Of Wealth:

Creating Wealth Robert G. Allen, 2006-08-07 Popular speaker multimillionaire and author of the all time bestselling real estate book *Nothing Down* Robert G Allen knows how to bring you financial success With his seminars sweeping the nation Allen is at the cutting edge of strategic wealth creation now more than ever And in this completely revised edition of his classic bestseller *Creating Wealth* Allen gives you the basic principles that you need to stop thinking poor and start growing rich Moving beyond just real estate Allen goes straight to the core of people s inner motivations and beliefs about money to give you all the fundamentals of wealth creation By developing a wealthy mind set anyone can take off into financial self reliance and Allen shows you how He explains the ways in which most of us have been programmed to think that only saving is good and debt and risk are bad so that in our efforts to gain security we cheat ourselves out of getting rich The key to changing that mind set is Allen s unique integration of real estate with other wealth generating investments In his trademark easy to understand style Allen spells out all his practical applications and shows you how to Take advantage of recent tax laws Use leverage to multiply holdings while minimizing risks Benefit from high yield discount mortgages Acquire long term profits in gold and silver coins Set up corporations and trusts to protect assets Find the highest rate of return with the greatest liquidity As Robert Allen has proved in his own life becoming a multimillionaire well before he was thirty five it doesn t matter how much or how little money you have when you start as long as you understand the right principles timeless principles that can make you a fortune

Building Wealth with Silver Thomas Herold, 2011 The greatest transfer of wealth in the nation and the world is now unfolding Money is about to flow away from the financially uninformed and flow towards the financially well informed in the years ahead Whenever governments start to dilute their money investors transfer their money into gold and silver Although gold is a great way to preserve your wealth it s silver you could actually make a fortune with Protect your savings and create a substantial investment income every single month Financial ignorance is the only reason you are not yet cashing in on the biggest wealth transfer in history A Solid Method to Achieve Financial Freedom This book will show you exactly how to live and prosper by the new laws of money in the new economy It will show you how to beat the new money thieves Banks and Governments at their own game while quietly profiting from the money meltdown that is now underway We are approaching a monetary crisis of epic proportions never before seen You are probably aware of the rising price of gold that s been going on for almost 10 years now Most recently gold started climbing with even greater speed History repeats itself again and again Whenever governments start to dilute their money investors transfer their money into gold and silver Gold and silver have intrinsic value and will always prevail in any economy Many financial experts predict that gold could at least double to 3 000 3 500 and some say even 5 000 But experts also predict the price of silver could rise seven to eight times its current value before hitting its peak What most non investors and investors including yourself probably don t realize is that although gold is a great way to preserve your wealth it s silver that could actually make

you rich The price of gold has already risen dramatically but silver is just beginning its parabolic climb Over the last 9 years the silver price increased an average of 29% per year Compare this to the stock and real estate market which declined when adjusted for inflation Nine Reasons Why Silver is a Unique Wealth Building Instrument Silver like gold has intrinsic value Silver has been in a commodity bull cycle since 2000 Silver is a safe hedge against currency inflation Silver is a security choice during times of financial crisis Silver is rarer than gold Silver is used in 90% of all electronics and its mostly non renewable Silver leasing the scam will be exposed soon Silver investment markets are expanding thanks to the Chinese What You Will Learn From Building Wealth with Silver You will discover why the Federal Reserve was created and why you and I have been kept in the dark about its true purpose You will find out why the U S dollar is quietly being destroyed without fanfare and the reason this process is being publically denied and covered up Learn Why Silver is the Best Investment Opportunity Right Now Get the facts on silver production and consumption and all the details behind silver s projected five to eight fold increase over the next several years Financial Education Is The Solution To Financial Freedom Discover the facts about our global banking and government system that will change the way you look at money forever You will learn how to buy silver at the lowest price Professional trading techniques that leverage and maximize your profit Understanding how the money system works will give you financial freedom During the next few years the global financial system will be restructured on a scale that has never seen before There are a few opportunities for you to profit from it silver is one of them
