Creating New Educational Communities:

Yearbook of the National Society for the Study of Education Jeannie Oakes, Karen Hunter Quartz, 1995 *Mobile Learning Communities* Patrick Alan Danaher, Beverley Moriarty, Geoff Danaher, 2009-06 Mobile Learning Communities explores the diverse ways in which traveling groups experience learning on the run bringing together for the first time mobilities and learning communities into a single and comprehensive focus **School as Community** Gail Furman, 2012-02-01 An increasingly important and appealing concept for school renewal is that of school as community While community holds multiple promises for schools little is known about the practice of community in schools This collection furthers our understanding about the nature of school community its practice in public schools and the role of leadership in this practice Of particular importance is the question of how community can be created and sustained in K 12 public schools with highly diverse populations *Staying the Course with Professional Development Schools* Jane E. Neapolitan, 2005 The Professional Development School PDS movement has been a major vehicle for the simultaneous renewal of Pre K 12 education and the teaching profession for nearly twenty years This second volume in a series created by Towson University goes beyond start up stories and presents data based discussions on a variety of topics about PDS implementation and assessment including PDSs in specialty areas such as music and physical education mentoring teacher development standards accountability and sustainability Chapters are written by researchers who presented their work at the Second National Professional Development School Conference sponsored by the Maryland State Department of Education s Professional Development School Network and who represent public and private colleges and universities and school districts in Maine New York New Jersey Maryland Georgia Kansas and Missouri and the National Council for Accreditation of Teacher Education NCATE Globalization and Education Nicholas C. Burbules, Carlos Alberto Torres, 2000 The legendary Greek figure Orpheus was said to have possessed magical powers capable of moving all living and inanimate things through the sound of his lyre and voice Over time the Orphic theme has come to indicate the power of music to unsettle subvert and ultimately bring down oppressive realities in order to liberate the soul and expand human life without limits The liberating effect of music has been a particularly important theme in twentieth century African American literature The nine original essays in *Black Orpheus* examines the Orphic theme in the fiction of such African American writers as Jean Toomer Langston Hughes Claude McKay James Baldwin Nathaniel Mackey Sherley Anne Williams Ann Petry Ntozake Shange Alice Walker Gayl Jones and Toni Morrison The authors discussed in this volume depict music as a mystical shamanistic and spiritual power that can miraculously transform the realities of the soul and of the world Here the musician uses his or her music as a weapon to shield and protect his or her spirituality Written by scholars of English music women s studies American studies cultural theory and black and Africana studies the essays in this interdisciplinary collection ultimately explore the thematic linguistic structural presence of music in twentieth century African American fiction Handbook of Research on

Educational Leadership for Equity and Diversity Linda C. Tillman, James Joseph Scheurich, 2013-08-21 The rapid growth of diversity within U S schooling and the heightened attention to the lack of equity in student achievement school completion and postsecondary attendance has made equity and diversity two of the principle issues in education educational leadership and educational leadership research The Handbook of Research on Educational Leadership for Equity and Diversity is the first research based handbook that comprehensively addresses the broad diversity in U S schools by race ethnicity culture language gender disability sexual identity and class The Handbook both highly values the critically important strengths and assets that diversity brings to the United States and its schools yet at the same time candidly critiques the destructive deficit thinking biases and prejudices that undermine school success for many groups of students Well known chapter authors explore diversity and related inequities in schools and the achievement problems these issues present to school leaders Each chapter reviews theoretical and empirical evidence of these inequities and provides research based recommendations for practice and for future research Celebrating the broad diversity in U S schools the Handbook of Research on Educational Leadership for Equity and Diversity critiques the inequities connected to that diversity and provides evidence based practices to promote student success for all children
