365 Low or No Cost Workplace Teambuilding Activities John Peragine, 2017-01-17 It's now easier to find an activity that you think will work best for your team. The second edition of this book includes more team building activities for teams that telecommute or work from home. It also includes more activities that highlight the importance of diversity, breaking down stereotypes and acceptance.

**Big Book of Virtual Teambuilding Games: Quick, Effective Activities to Build Communication, Trust and Collaboration from Anywhere!** Mary Scannell, Michael Abrams, Mike Mulvihill, 2011-12-16 Get remote team members to interact as if they're in the same room. Whether you're videoconferencing with team members across the world or emailing a colleague sitting ten feet away, the truth is evident: technology has permanently altered the way we communicate. The virtual workplace can facilitate quicker decision making and reduced overhead. But the lack of face-to-face interaction can also impede trust, innovation and creativity among team members. The Big Book of Virtual Team Building Games is packed with games and activities for developing productive virtual teams across all digital platforms including email, mobile devices, web-based conferencing tools and social media sites such as Facebook, Twitter and Skype. The Big Book of Virtual Team Building Games helps you build a greater sense of community and reduce conflict. Increase levels of engagement. Get the most out of more introverted team members. Boost team members' productivity. Make sure that the only thing separating your people is distance. The Big Book of Virtual Team Building Games is just the tool you need to develop trusting relationships, foster clear communication and use technology to enhance the team's connections.

*The Strategic Alliances Fieldbook* Gavin Booth, Mike Nevin, Jim Whitehurst, 2022-05-10 The Strategic Alliances Fieldbook: The Art of Agile Alliances is for technology and professional services practitioners and executives seeking faster value from their partnerships as traditional alliances are changing rapidly in form and tempo. Digitising customer channels and internal operations has been a long running initiative for most companies and the global COVID 19 pandemic has accelerated the urgency and budgets associated with the digital transformations that technology and professional services companies support. The Strategic Alliances Fieldbook compiles a century of the authors' experience of leading joint businesses to solve the problem of how to go fast and avoid common issues that delay alliances. The reader will get a detailed analysis of professional services companies and technology companies and how the dynamics of their collective culture and operating model are shaped when working in partnership. The book provides a Blueprint, a library of methods that includes 15 templates which can be applied to accelerate any alliance. The book also includes 19 case studies to illustrate real life situations. This book is particularly relevant to executives involved in partnership initiatives specifically in professional services and technology firms and can be read in conjunction with The Strategic Alliance Handbook by Mike Nevin.
