Creativity and Strategic Innovation Management Malcolm Goodman,Sandra M. Dingli,2017-03-27 Creativity and Strategic Innovation Management was the first book to integrate innovation management with both change management and creativity to form an innovative guide to survival in rapidly changing market conditions Treating creativity as the process and innovation the result Goodman and Dingli emphasise the importance of a strategic approach to management through fostering creative processes Revised and updated for a second edition this ground breaking book now includes A new section on contemporary themes in innovation management such as the use of social media and sustainability More coverage of entrepreneurship ethics diversity issues and the legal aspects of technology and innovation management More international cases and real life examples The book is also supported by a range of new tutor support materials This textbook is an ideal accompaniment to postgraduate courses on innovation management and creativity management The focused approach by Goodman and Dingli also makes it useful as supplementary reading on a range of courses from management of technology to strategic management

The SAGE Handbook of Propaganda Paul Baines,Nicholas O'Shaughnessy,Nancy Snow,2019-11-25 The SAGE Handbook of Propaganda unpacks the ever present and exciting topic of propaganda to explain how it invades the human psyche in what ways it does so and in what contexts As a beguiling tool of political persuasion in times of war peace and uncertainty propaganda incites people to take often violent action consciously or unconsciously This pervasive influence is particularly prevalent in world politics and international relations today In this interdisciplinary Handbook the editors have gathered together a group of world class scholars from Europe America Asia and the Middle East to discuss leadership propaganda war propaganda

propaganda for peace marketing propaganda as a psychological tool terror enhanced propaganda and the contemporary topics of internet mediated propaganda Unlike previous publications on the subject this book brings to the forefront current manifestations and processes of propaganda such as Islamist and Far Right propaganda from interdisciplinary perspectives In its four parts the Handbook offers researchers and academics of propaganda studies peace and conflict studies media and communication studies political science and governance marketing as well as intelligence and law enforcement communities a comprehensive overview of the tools and context of the development and evolution of propaganda from the twentieth century to the present Part One Concepts Precepts and Techniques in Propaganda Research Part Two Methodological Approaches in Propaganda Research Part Three Tools and Techniques in Counter Propaganda Research Part Four Propaganda in Context

Digital Intermediation Jonathon Hutchinson, 2023-05-31 Digital Intermediation offers a new framework for understanding content creation and distribution across automated media platforms a new mediatization process This book draws on empirical and theoretical research to carefully identify and describe a number of unseen digital infrastructures that contribute to a predictive media production process through technologies institutions and automation Field data is drawn from several international sites including Los Angeles San Francisco Portland London Amsterdam Munich Berlin Hamburg Sydney and Cartagena By highlighting an increasingly automated content production and distribution process this book responds to a number of regulatory debates on the societal impact of social media platforms It highlights emerging areas of key importance that shape the production and distribution of social media content including micro platformisation and digital first personalities This book explains how technologies institutions and automation are used within agencies to increase exposure for the talent they manage while providing inside access to the processes and requirements of producers who create content for platform algorithms Finally it outlines user agency as a strategy for those who seek diversity in the information they access on automated social media content distribution platforms The findings in this book provide key recommendations for policymakers working within digital media platforms and will be invaluable reading for students and academics interested in automated media environments

Customer Relationship Management Samit Chakravorti, 2023-02-23 Customer Relationship Management A Global Approach provides a uniquely global holistic strategic and tactical grounding in managing customer and other stakeholder experiences and relationships across the value chain cultures and countries Reflecting the global structures of companies operating today the author draws on his research knowledge alongside industry and teaching experience to connect Customer Relationship Management CRM core concepts processes and strategies with international business opportunities and challenges including globalization and cross cultural marketing Emphasis is placed on the need for developing cross cultural skills and cultural intelligence for identifying and fulfilling cross country CRM opportunities through analytical strategic operational and social CRM projects Written in an accessible style throughout the eleven chapters provide ample depth to support a full course related to CRM spanning CRM
