Principles of Strategic Communication Derina Holtzhausen, Jami Fullerton, Bobbi Kay Lewis, 2025-10-31 Now in a second edition this book introduces students to the theories of strategic communication and their application to everyday practice. Key updates to the second edition include the use of artificial intelligence in the practice of strategic communication and a focus on health communication and crisis communication in the wake of a global pandemic, personal branding, social responsibility in an era of disinformation, and the addition of models for ethical decision making. It also features a completely updated chapter on new media and media metrics. Each chapter includes introductory learning outcomes, updated case studies, a career profile of a current practitioner, end of chapter discussion questions, and boxes that highlight theory and research, as well as the strategic communication industry insights. *Principles of Strategic Communication Second Edition* is ideal as a core text for undergraduate students in strategic communication courses within media communication, marketing, and advertising programs. The accompanying online resources feature chapter summaries, useful links to examples of strategic communication in action, suggested further reading, and sample test questions. Instructors will find an instructor's resource manual that includes sample syllabi, class activities, lecture topics, and a test bank. New to this edition are PowerPoint slides for each chapter. Over the years, digital marketing has become more and more complex and competitive. If you want to generate more leads and sales, expand your brand awareness, and build a loyal customer base, average digital marketing won't cut it. You need a plan that will outperform the competition and resonate with your target audience. If your digital strategy isn't bringing you the results you want, it may need some fine tuning. In this book, some of WSI's most experienced thought leaders will walk you through the 12 key components of an effective digital strategy. You'll learn how to leverage competitive research and well-defined buyer personas to compose a marketing plan that makes sense for your business. As well as marketing best practices on digital advertising, chatbots, video marketing, SEO, social, and lead nurturing that you can implement right away. Virtual Production Mark Sawicki, Juniko Moody, 2025-06-30 This book, written by industry experts, provides a comprehensive understanding of virtual production processes, concepts, and technology, helping readers get to grips with this nascent technology.
