Dive into this game-changing work to gain valuable insights about the future of technology, its impact on society, and the potential to create a better world together as one. A must-read for anyone interested in technology and its potential, and also the human factor. **How does AI help your Health?** Dr. Nisha Talagala, In this book, we will learn about what AI is and what kinds of AIs are all around you. You will discover how AIs learn and what they can learn, and how they help humans. We will explore how AIs are different from robots, how Self-Driving Cars work, and how Digital Assistants work. **Tech-Smart Parenting** Catherine Knibbs, 2025-07-31 The essential new science-backed parenting guide to building healthy boundaries around technology and social media from the leading cybertrauma expert and child psychotherapist Catherine Knibbs. A must-read for the tech-anxious generation. Pete Etchells, psychologist and author of *Unlocked: The Real Science of Screen Time*. An essential expert and overdue guide for any parent worried about how tech is affecting their children but wanting to rely on science instead of paranoia. Dean Burnett, neuroscientist and author *Should we ban screens?* We are asking the wrong question; this is how we really keep our kids safe online. How much screen time is too much? Could my child become addicted to their smartphone? Why does every rule I set start a battle? Children today are growing up in a world more connected than ever before, exposing them to dangers their parents didn't even imagine and raising questions they've never considered. But in our rush to protect them, we can do more.
