Guidelines for a Perfect Logo Design Attila Blázsovics, 2015-03-03. For people who want to go for a logo design, this guide will be of great help, especially for those who aren't certain what they really want. Choosing the right design is a matter of great responsibility. So it isn't enough only to hire a designer and give him the name of your company. There's much more to it. This particular guide is a path to collaborate with the designer for a successful project. It will offer practical recommendations for those who want to actively participate in the creation of their own logo design. PC/Computing, 1995.
