[The 7-Step Success Formula to Viral Video Marketing](#) Dane Douglas, 2011-05-02

One single video can help you increase brand awareness and get you better results in sales conversions without having you spend thousands in online promotion and advertising. A viral video is simply content in video format which you put on video sharing sites and it spreads out all over the internet by means of other people who share it to friends and pass it on to friends of friends. Your video is considered viral when it's all over the internet because it gets viewed and shared by millions of viewers. That is the idea behind viral video marketing: to market and promote all over the internet. If you can put a video together the right way, it can go viral and do all the marketing, advertising, and selling for you. With millions of videos in YouTube, MySpace, Vimeo, blogs, and websites, is your video what people are searching for? That question probably sums up the whole success formula, but you can get all the details, the step-by-step blueprint, all 7 of them, plus more killer tips with the information in this book.
