**When Millennials Rule** David Cahn, Jack Cahn, 2016-08-02

When Millennials Rule offers an optimistic story about how the generation that grew up through 9 11 and the Great Recession will rise above these setbacks to unify around common sense solutions and take back America's future. China has swallowed our jobs. Social security is going bankrupt. Radical Islamic terrorists threaten our safety. Our planet is on the brink of environmental disaster. Meanwhile politicians pound their chests in ideological wars that enrich lobbyists and special interest groups at the expense of the American voter. If America today is at a crossroads, it is the millennial generation, long ridiculed as selfish egotists and narcissistic Twitter drones, that will face the momentous task of restoring the promise of a better future. But where are millennials leading America? How will this generation shape our nation's future? These are questions everyone is asking in newspapers, in books, on television, and on Twitter. And they're baffled. The Nation called it Millennial Madness, and The Atlantic complained that millennial political views don't make any sense. Five years ago, David and Jack Cahn, identical twins, competitive debaters, and New York magazine's Twin Titans, set out to answer these questions and uncover their generation's political identity. Traveling across the country from Kentucky to Illinois to California, they talked with more than 10,000 young Americans about everything from campaign finance reform to nuclear proliferation. Beyoncé and Taylor Swift. When Millennials Rule is the story of their journey. They start in New Haven, Conn., just months after the Newtown shooting, and end in Philadelphia, where the 2016 Democratic National Convention is set to launch one of the most contentious elections in modern history. Combining thorough reporting with the compelling stories of their peers, the brothers craft an authentic first-person portrait of what millennials stand for and why.

**Message Received: 7 Steps to Break Down Communication Barriers at Work** Mary E. Donohue, 2020-09-29

The action plan you need to ensure everyone's understood digitally and across generations. According to social scientist and award-winning CEO Dr. Mary Donohue, we communicate ineffectively at work a staggering 80% of the time. From the tone of an email to the almost-but-not-quite eye contact of a video conference app, today's tech has increased the speed and scope of our communications as well as the opportunities to misunderstand each other completely. This lack of effective communication is a leading cause of workplace stress. In this widely anticipated and deeply researched book, Dr. Donohue, a victim of workplace stress herself, lays out a seven-step solution to give you the tools you need to make communication a cure for workplace stress, not a cause. Even especially when you're working with a generationally diverse team. Discover what's at the root of the problem, from misunderstood emails and misinterpreted texts to misconstrued social media posts and missed social cues on Zoom, and learn how to respond to different communication preferences now. Through helpful charts, case studies, evidence-backed research, and more, you'll walk away with the tools you need to ensure everyone on your team, yourself included, is heard and understood, so there's less time clarifying and more time for everyone to be their best, most productive selves.

*WorkInspired: How to Build an Organization Where Everyone Loves to Work* Aron Ain,2018-10-05 Axiom Business Book

Award Silver Medalist in Leadership Soundview Best Business Book A Highest Rated CEO who has transformed his organization into a billion dollar company and a Top Place to Work shows leaders how truly prioritizing employees isn't just good for employees it's good for business. Imagine a company where everybody loves to work where employees feel not just satisfied but truly cared for, respected and energized. Think of the impact this would have on recruitment, retention, customer satisfaction, innovation and overall performance. Aron Ain, the award-winning CEO of Kronos, a global provider of workforce management and human capital management cloud solutions, believes that anything is possible when people are inspired. By embracing employee development and engagement as a growth strategy, Ain transformed his company's culture and built a billion dollar business. This book takes leaders and managers inside Kronos's highly admired WorkInspired culture, showing them the surprisingly simple rules to follow to replicate that success. Ain's inspiring guide reveals the best practices that have earned Kronos distinctions on coveted lists such as Glassdoor's 100 Best Places to Work, Fortune's 100 Best Companies to Work For, Forbes's America's Best Employers, and the Boston Globe's Top Places to Work. These include over-communicating and truth-telling, trusting your people again and again, holding managers accountable for being great at what they do, allowing employees flexible schedules and open vacation time, challenging your people to put the company out of business with new and revolutionary ideas, and welcoming back boomerang employees. Many executives talk about how their people are their greatest asset. Ain challenges leaders to walk the talk and put people first, whether they oversee a team of five or an organization of 500,000. When they do, employees won't be the only ones who thank them. Customers and shareholders will too.
