Christian Classics In Modern English:

Christian Classics in Modern English Bernard Bangley, 2000-03-07 With today's accelerated pace of life preoccupation with careers and family demands there is little time for celebrating our humanity and even less time for seeking God So how does a twentieth century believer set about living as a Christian in such a society The writings of devout pilgrims such as Brother Lawrence Thomas Kempis and St Augustine refocus our attention on the basics of the Christian journey Retold in the language and setting of our world today these classics offer timely messages of startling relevance to Christians and those interested in Christianity Christian Classics in Modern English ,1991 *Christian Classics in Modern English* ,1991 **The Library of Christian Classics: English reformers** ,1953 **The Library of Christian Classics** ,1953 **Lectures on Romans** Martin Luther, 1961-01-01 Wilhelm Pauck enhances his fresh translation of Luther's Lectures on Romans with a body of notes which along with his lucid introduction greatly enhances the usefulness of Luther's work Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries **English Reformers** T. H. L. Parker, 1966-01-01 This volume offers a collection of works by important thinkers of the English Reformation Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries *Calvin: Institutes of the Christian Religion* John Calvin, This is the definitive English language edition of one of the monumental works of the Christian church All previous editions in Latin French German and English have been collated references and notes have been verified corrected and expanded and new bibliographies have been added The translation preserves the rugged strength and vividness of Calvin's writing but also conforms to modern English and renders heavy theological terms in simple language The result is a translation that achieves a high degree of accuracy and at the same time is eminently readable Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries *The Library of Christian Classics: Augustine: confessions and enchiridion* ,1953 Modern English Biography Frederic Boase, 1897 *Augustine* Saint Augustine (Bishop of Hippo.), 1955-01-01 This volume a part of the Library of Christian Classics series explores Augustine's

classic work on the Trinity and his understanding of Paul as well as his powers as a preacher Long recognized for the quality of its translations introductions explanatory notes and indexes the Library of Christian Classics provides scholars and students with modern English translations of some of the most significant Christian theological texts in history Through these works each written prior to the end of the sixteenth century contemporary readers are able to engage the ideas that have shaped Christian theology and the church through the centuries

Augustine Saint Augustine (Bishop of Hippo.),1953-01-01 These are Augustine s writings from the time of his conversion to Christianity in A D 386 until he became Bishop of Hippo in 395 396 This volume is part of The Library of Christian Classics containing the great literature of the Christian heritage
