Waldo J. Werning

Christian Stewards:

Stewards of God Milo Kauffman, 2001-12-28 The great promises of God in his word to his faithful stewards are by no means idle words nor exaggerations God is still waiting to open the windows of heaven and pour out his blessings Kauffman examines the implications of the Bible's teachings regarding the proper stewardships of our lives our abilities and our possessions His emphasis is much broader than money but he makes a vigorous plea for increased giving and assures the reader of new blessings from God Is it fair for one family to have more food than they can eat more money than they can spend more clothes than they can wear and more houses than they can live in while other families have no food to eat no money to spend only rags to wear and no roof over their heads Christian stewardship demands that we share and that we teach others to share Energy crises depletion of natural resources and the hunger in the world call into question the morality of affluence If humanity is to survive we must become better stewards Those who read this book will develop a new appreciation for God's generosity to us and a new sense of responsibility for making the best use of his gifts *Christian Stewards, Confronted and Committed* Waldo J. Werning, 1982 **Everything Belongs to God** Sophirinia Sign, 2017-01-01 This book invites you to study some of the kingdom principles involved in Christian stewardship conversion commitment involvement motivation potential faithfulness and sacrifice Test these principles in your life Make them part of your world You will reap the benefits of good stewardship *The Steward's Way* C. Justin Clements, 1997 These helpful essays have been grouped into topical categories ranging from basic concepts of stewardship to parish and personal issues in stewardship as well as an exploration of stewardship of time and talent and finally a look at stewardship of treasure An altogether helpful resource for anyone involved in making stewardship a reality in the life of the church *Stewards in the Kingdom* R. Scott Rodin, 2000-01-10 R Scott Rodin unpacks a theology of the abundant life which encompasses our world life and possessions and appropriately begins with the very being of the Creator *The Steward* Douglas John Hall, 2004-07-21 The biblical image of the steward is highly provocative and even revolutionary In recent years environmentalists and peace marchers have been discovering the radical potential of the stewardship motif while the church sadly has muffled this symbol's power in ecclesiastical wrappings So writes Douglas John Hall in the first edition of *The Steward* 1982 This provocative book has been so much in demand all over the world that Hall has completely rewritten revised and expanded his work adding new material and deleting dated references Yet Hall has kept his original book's basic format the same in this new and improved edition In short Hall aims to recapture the most basic meaning of the biblical metaphor of the steward and to apply that meaning to our social context one in which human beings are confused and ambivalent about their place and vocation in a threatened world Working from numerous angles biblical historical sociological theological and ecclesiastical Hall explores the rich meaning and implications of stewardship Scripture portrays the steward as a caretaker and servant Hall compares scriptural teaching on stewardship concentrated in Jesus parables with the role of stewardship in the church's

history maintaining that ever since the fourth century the church's understanding and practice of stewardship have been distorted by its alliance with institutional power Hall also puts forth apocalyptic warnings about the fate of the earth unless we heed the call to be stewards of the creation work for world peace and justice and nurture life in its many forms The church around the world says Hall urgently needs to live as steward it is a matter of death and life *How to Develop Resources for Christian Ministries* MacMillan Kiuru,2004 **Stewardship** Daniel Conway,2005 Stewardship is not just about money but about something much more fundamental how we respond to God's call to be disciples of Christ and how we live out that response in our daily lives In a simple practical and concise style Daniel Conway shows why stewardship is an essential aspect of Christian living Book jacket **Stepping Stones of the Steward** Ronald E. Vallet,1994 Now thoroughly revised with significant changes in chapters dealing with faith and money and environmental issues Vallet's inspirational study teaches Christians how to gain a sense of purpose how to properly use resources talents and money and how to reach out with compassion for the welfare of others and for the planet *Onward* ,1921 *The Christian Advocate* ,1927

Steward Leadership in the Nonprofit Organization Kent R. Wilson,2016-08-08 Kent Wilson presents a comprehensive model for steward leadership where leaders act as stewards or trustees rather than owners managing resources on behalf of others for the good of others Designed by a nonprofit leader for nonprofit leaders this fresh approach to leadership gives you a new focus to lead your organization with excellence **Stewardship** United States Conference of Catholic Bishops,2023-10-18 As disciples of Jesus Christ we must be good stewards of the gifts God has given us Stewardship is all encompassing from an individual's gesture of kindness to global communities working for peace and justice In this pastoral letter the United States Conference of Catholic Bishops challenges the faithful to take up the mantles of stewardship and discipleship Stewardship provides a blueprint based on the Gospels for building good stewards of every age and level Each section ends with questions for reflection and discussion ideal for group or individual study **Stewards of the Gospel** Ronald E. Vallet,2011-07-22 The word stewardship comes across as stale and mildly distasteful to many in the church today as a term limited in its scope to euphemistic conversations about financial giving Yet as Ronald Vallet points out when the apostle Paul refers to stewards of the mysteries of God 1 Cor 4:1 he's talking about something much deeper and richer than fund raising In *Stewards of the Gospel* Vallet recovers a more adequate understanding of Christian stewardship in light of both the New Testament and the realities facing today's church as it deals with challenges to justice to the environment and even to faith itself He then applies his reinvigorated concept of stewardship in practical ways to congregations to their pastors and leaders and to the seminaries and denominational structures that mold and support those leaders Enhancing Vallet's broad gospel oriented vision of stewardship are thoughtful responses from six seasoned theological educators Daniel Aleshire David L Bartlett Bruce C Birch Terry Parsons Eugene F Roop and L E Ted Sivers **Official Report of the ... International Christian Endeavor Convention** ,1892 *Christian Stewards* Waldo J. Werning,1997-07-01 **A**

Workbook on Biblical Stewardship Richard Rusbuldt, 1994 This nine chapter journey through the biblical principles of stewardship helps Christians grasp God's message regarding his people's role and responsibility as earthly caretakers. The workbook could well be used in a church school class or in a small group setting. **The Sunday at Home**, 1888
