Christian Theism A Study In Its Basic Principles:

Christian Theism Huw Parri Owen,1984 **The ^AMoral Argument** David Baggett,Jerry Walls,2019-10-01 This book explores the fertile history of the moral argument for the existence of God The argument has been the topic of numerous Gifford lecturers and the work on the moral argument by such luminaries often represented the apex of their academic careers The authors show that despite their disagreements and different emphases these thinkers agreed that a broad array of moral facts and phenomena point to a theistic world **Theism and the Christian Faith** Charles Carroll Everett,1909

Crucicentric, Congregational, and Catholic David R. Peel,2019-03-04 This book presents a synthesis of Alan Sell s theology drawn from his voluminous publications As Sell s doctrinal views are explored and interpreted his indebtedness to P T Forsyth becomes clear What emerges is a theology rooted in and flowing from the Cross Resurrection event Standing in the Separatist Dissenting and Nonconformist traditions Sell advocates a wholehearted commitment to a Congregational ecclesiology which he maintains carries the potential to break through the log jams holding up the establishment of full ecumenical relationships across the churches Saddened by Christianity s many sectarianisms Sell s intentions are thoroughly catholic while his faithfulness to the Christian tradition handed on to him is matched by a willingness to receive insights from beyond it The result is a generous if eclectic expression of Christian orthodoxy The critical phase of the book turns upon the question whether Sell s generous orthodoxy is generous enough Do his theological conclusions actually do justice to the life and ministry of Jesus And secondly are they credible in the contemporary world For all Sell s commitment to apologetics does his theology actually speak to contemporary hearers The Pastor's Library Robert A. Yost,2017-09-21 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library Robert Yost provides students and pastors with expert guidance on building a working ministerial library From Old and New Testament languages lexical aids and grammatical tools to commentaries and theologies as well as pastoral resources Yost is a trustworthy guide through the multiplicity of books that seem to just keep rolling off the presses Far more than just a guide to commentaries as are so many works today this resource is a balanced pastoral tool for pastors and students who are overwhelmed by the proliferation of literature in the fields of biblical and pastoral studies *Catalog of Carleton College for the Academic Year ...* Carleton College (Northfield, Minn.),1909 **Register of Vanderbilt University ...
