**Christian Encounters with the Other** John C. Hawley, 1998-02 Why does Christianity feel the need to impose its customs and beliefs on the rest of the world Using a cultural studies approach CHRISTIAN ENCOUNTERS WITH THE OTHER covers the Renaissance through to the present It spans much of the globe discussing a range of authors and their works and the social forces that help shape missionary movements Historicizing Christian Encounters with the Other John C. Hawley, 2016-07-27 Written from a cultural studies point of view thirteen original essays analyse literary accounts of historically famous sites of conversion Beginning with the Renaissance and extending to the present authors under discussion include Beaumont and Fletcher Lope de Vega Guaman Poma Thomas Nashe Daniel Defoe Chateaubriand Salvation Army pamphleteers Chinese missionaries Stephen Riggs Samson Occom Shusaku Endo Mongo Beti and Rigoberta Menchu What were the missionaries intentions and how were they perceived **Encountering Others, Understanding Ourselves in Medieval and Early Modern Thought** Nicolas Faucher, Virpi Mäkinen, 2022-12-05 Recent research has challenged our view of the Abrahamic religious traditions as unilaterally intolerant and incapable of recognizing otherness in all its diversity and richness but a diachronic and comparative study of how these traditions deal with otherness is yet to appear This volume aims to contribute to such a study by presenting different treatments of otherness in medieval and early modern thought Part I Altruism deals with attitudes and behaviors that benefit others regardless of its motives We deal with the social rights and emotions as well as the moral obligations that the very existence of other human beings whatever their characteristics creates for a community Part II Religious recognition and toleration considers identity toleration and mutual recognition created by the existence of religious or ethnic otherness in a given social religious or political community Part III Evil deals with religious otherness that is considered evil and rejected such as heretics and malevolent demonic entities The volume will ultimately inform the reader on the nature of religious toleration including beliefs and doctrines even emotions as well as of the self definition of religious communities when encountering and defining otherness in different ways Discipleship and Unity Cole Jodon, 2022-06-01 Discipleship and Unity Bonhoeffer s Ecumenical Theology presents a fresh approach to church unity and discipleship from a familiar voice Building constructively from the thought of Dietrich Bonhoeffer Cole Jodon offers an account of ecumenism in which the church is understood to be united as the person of Christ a unity that is concrete today through active obedient discipleship To develop this theology Jodon draws from Bonhoeffer s ecumenical engagement which is deepened through the theology of Bonhoeffer s wider corpus Jodon illumines Bonhoeffer s dynamic understanding of the church its unity and the manner in which that unity is made concrete in the world At its heart this book serves to advance an ecumenical theology enlivened by the living and present Christ who calls his church to follow after him together
