Christian Freedom Christ Sets Us Free:

Christian Freedom William E. Fischer,1996 This series deals with the basic Christian Doctrines that guide a Christian s life In this book we look at how God has given his people true freedom as outlined in the bible *Christian Freedom* Francis Ernest Hutchinson,1920 **Charter of Christian Freedom** Gordon Lindsey,2017-01-26 The apostle Paul s Letter to the Galatians has had a deep impact on Christian theology and practice far beyond its short length It has inspired great theologians it also sparked reform movements Its message however can be hard to follow for the average reader This study guide opens up the message of Galatians to people without a theological education and for Bible study teachers and working pastors Explaining the background from which Paul is writing the author clarifies the flow of Paul s argument so the average reader can grasp its revolutionary import Paul s letter sparked a revolution in the author s own spiritual life This study guide can help do that for others as well **"For Freedom Christ Has Set Us Free"** Daryl Gauthier,1996 The Freedom to Choose Life Scott W. Gustafson,2024-05-28 In *The Brothers Karamazov* Fyodor Dostoevsky proposes ministry as the way to resist and overcome the world s evil He employs two plotlines to do so The action plot concerns the events surrounding the murder of Fyodor Karamazov All evidence points to Dmitri Karamazov Rational circumstantial evidence convicts him yet the reader knows he is innocent The ministry plot occurs in this dark context where small acts of love are performed by The Elder Zosima Alyosha Karamazov and many others These acts of love all answer this unspoken question What can be said and done in Jesus name that opens the future to new possibilities in contexts heretofore deemed closed and without hope Asking and answering this question is the essence of ministry and since the question can be asked in any context ministry is possible anywhere Dostoevsky s unabashed antisemitism however undermines his brilliant analysis The concluding chapters document how unconfessed sins like antisemitism exert a death dealing power that undermines our cultures our communities and our ministries *The Freedom to Choose Life* shows how ministry resists and overcomes evil by these small acts of love and by the global effects of repenting of humanity s unconfessed sins **The Royal Law of Liberty** Darwin Chandler,2003 This book is a frontal assault on all law based obedience oriented religion Most Christians carry a load of spiritual bondage condemnation guilt and shame Some are deeply despondent and depressed because this load is too heavy for them to bear Few Christians are truly confident in their personal relationship with God This situation exists because 1 Christians are generally unable to distinguish between actual sin versus mere human opinion about sin 2 Christians do not understand that Jesus set them free from obedience based religion 3 Christians do not know how to decide for themselves what is truly moral 4 Christians have no real experience of Christian Liberty These issues are examined in sufficient detail to enable one to understand the radical nature of the freedom for which Christ set us free Gal 5 1 The author s goal is to destroy the roots of religious legalism so Christian believers can live the life of freedom which is their spiritual blood right Beginning with a development of the Master Key to Biblical morality the nature and implications of Christ s Law of Love are thoroughly

explored Next the author discusses the true nature of morality answering the question What exactly makes a thing sinful Careful attention is given to the concept of defilement or uncleanness with a bold look at Paul s revolutionary statement that nothing is unclean of itself Rom 14 14 20 In Part Three Legalism is exposed in all its ugliness This section details the Biblical method for determining what is truly sin and what is merely human opinion Part Four destroys the bitter root of Legalism with persistent emphasis on the fact that Jesus Christ ended the rule of law by His life death and resurrection Part Five looks at the theology of Galatians the Christian s Emancipation Proclamation closing with pointed illustration of how this all affects a Christian s liberty to exercise personal choice in what s he will or won t do Five appendices explore several specific issues raised by the preceding study These include Conclusions About Christian Liberty Contradictory Scriptures Christian Liberty and Sexual Issues The Necessity Of Experiencing Freedom The Non Negotiables of Bible Study This is the only book on Christian Freedom written by an ex Fundamentalist The author was raised in an atmosphere of extreme legalism The first half of his Christian ministry was spent preaching defending and even debating the concepts that he now seeks to destroy The author lived in legalism forty years He understands legalism He therefore knows how to attack its vulnerable spots His goal was not to write a book but to give to anyone who is interested information that will set them free from bondage to legalism and open the pathway to self government under the rule of love For more information on spiritual freedom visit the author s website www.freedomguide.net

Living Before God Ben Campbell Johnson,2000 Living before God invites readers to explore ways to enrich their relationship with God Writing in the tradition of Brother Lawrence and other authors concerned with living intentionally in the presence of God Ben Campbell Johnson outlines several spiritual practices that can help Christians deepen their sense of God s presence
