## **Christian Stewards Confronted And Committed:**

**Christian Stewards, Confronted and Committed** Waldo J. Werning, 1982      **Leadership Handbook of Management and Administration** James D. Berkley, 2008-01-01 This substantial resource offers pastors and church leaders practical insight into the daily issues of running a church. Conceived and compiled by the editors of *Leadership Journal*, this book covers the full spectrum of ministry practice. Readers will learn about perennial topics such as time management, negotiating the terms of a call, handling crisis and conflict, hiring and managing staff, conducting special fund drives, spending church money, and dealing with tax and law considerations. This revised and expanded edition of a proven ministry resource contains new contributions from prominent ministry leaders. Contributors include Leith Anderson, Rick Warren, Brian McLaren, Luis Palau, John Ortberg, Aubrey Malphurs, and many others.

**Premarital Counseling** Dr. Ray E. Hurt, 2024-04-09 In recent years, the meaning of the family has become forgotten, and the value of marriage is skewed. With failing marriages and increasing divorce rates, the family has lost its importance in the betterment of society. *Premarital Counseling* offers a solution to the problem. Offering counseling sessions before marriage helps couples to learn more about the expectations placed on them with regards to Scripture as well as expectations each has for the other. This introduction to premarital counseling runs through various subjects from differences in communication style, financial planning, spiritual and physical intimacy, and the wedding day itself. In each section, author Ray Hurt offers suggestions and talking points for ministers during the counseling sessions. With these ideas in mind, the couple can exit the counseling sessions with the power to remind our society of the importance of marriage and the family.

About the Author: Dr. Ray E. Hurt is an Ordained Bishop with the Church of God in Cleveland, Tennessee. He is the Lead Pastor of Lifeline Church in Princeton, West Virginia, with fifty-three years experience in ministry. He specializes in Church Growth, Leadership Development, and Marital Counseling. He serves the General Church of God on various boards and committees, including The Calling and Ministries Studies Board, State Council, and The Missions Board. Dr. Hurt's academic achievements include Bachelor Degrees in Music Education and Biblical Studies from Lee University, a Master's Degree with emphasis in Counseling from The Pentecostal Theological Seminary, and a Doctorate of Ministry from Asbury Seminary. He has been honored as the Distinguished Alumni from Lee University and The Pentecostal Theological Seminary. He lives in Princeton, West Virginia, with his beloved wife Carolyn.

**Stewardship** Arno J. Wolfgramm, 2001-07-01 What is stewardship? Stewardship is usually a personal topic for Christians, but practicing good stewardship of our time, talents, and money is important. It's helpful to remember that God is the creator and author of all everything we have in life comes from him. Therefore, what we do with our time, talents, and money is of great importance, and it's also how we can show our love for God. This book aims to magnify the Lord and the gifts he has given you, and in doing so, to increase your desire to serve him with your whole life. It will also help you define stewardship and live your life to glorify God daily.

**The Jesus Enterprise** Kent R. Hunter, 2004 Those Christians who work in missionary settings

among non Christian groups learned an important lesson long ago about communicating the gospel You can build the church ring the bell and hope that folks will find their way to your doorstep Or you can immerse yourself in the culture build relationships and minister to people where they are Needless to say it is the latter route that bears the greatest fruit and the greatest similarity to Jesus own practice of proclaiming the gospel As churches in North America seek to grow and minister more effectively they would do well to remember that they too live in an increasingly non Christian culture The churches that will succeed in reaching out to the unchurched in this society are those who have learned how to encounter such people on their own territory Hence one congregation brings visitors into their building not through something foreign sounding like a narthex but through a coffee and espresso bar In this and dozens of other ways innovative congregations are reaching out to the unchurched Kent Hunter names such forms of ministry the Jesus Enterprise In this helpful book he tells the stories of churches where this kind of outreach has become the norm More important he also provides other churches the tools they need to identify the particular opportunities their context presents and ways to take advantage of those opportunities to present the gospel to those most in need of it

**A Workbook on Biblical Stewardship** Richard Rusbuldt,1994 This nine chapter journey through the biblical principles of stewardship helps Christians grasp God s message regarding his people s role and responsibility as earthly caretakers The workbook could well be used in a church school class or in a small group setting
