Durden, 2009-10 An ordained minister originally from the Church of God in Christ but now serving as a Pastor in ministry at Christ Assembly Fellowship Born 9 of 13 brothers and sisters from the deep south of Georgia to the small alleys of Harrisburg PA to the low income row homes of the projects it was not always easy ascertaining the Truth My military career in the United States Navy of 24 years quickly exposed me to a myriad of truths and lies My first experience concerning the Truth of Scripture was meticulously challenged while serving in the United States Navy I met a Brother in Christ who was much older than I and who had good understanding and knowledge of the Scriptures His understanding and knowledge was so good that at 19 years old he impressed me immensely This Brother became my mentor and most definitely of his Bible knowledge I did not solicit his

guidance but it was one of those things that kept drawing me back to what he had to offer in the way of challenging my faith and Bible knowledge I remember one question he put to me one day he asked what do you know about December 25th My QUICK response was of course it is the birthday of our Lord and Saviour But his reply seriously challenged and shattered EVERYTHING I believed I did not speak to him for quite some time because my parents warned me about people like him But there was that drawing and wanting to know the Truth that took me back to wanting to know his views that subsequently started me on the path of seeking the knowledge of the Truth I have not ceased since those days of digging up the Truth about God and His Holy Word **The light of life: every Christian's duty in New Testament words, compiled by R.J. Ellis** R J Ellis,1877 **The Words of Jesus** Phyllis Tickle,2009-03-09 What if you could encounter the words of Jesus on their own lifted up from the surrounding narratives and presented in their full power and mystery That s the question Phyllis Tickle one of America s most beloved writers on Christian spirituality asked when she set out to write what she calls a Sayings gospel In The Words of Jesus Tickle has compiled and arranged all the sayings of Jesus from the first four books of the New Testament and the first chapter of the Book of Acts in a way that creates an entirely new kind of encounter with the texts And she has accompanied those sayings with her own personal reflections and commentaries not just on the words themselves but on the One who spoke them **Light Through Little Word Windows** Donald L. Totten PhD,2018-09-21

LITTLE WORDS can be windows through which the light of Christ can shine So often we miss the little words in a verse This book explores some little two letter words in the Bible that make a BIG difference Many little words are explored IN for instance is an important little word Therefore if anyone is IN Christ he is a new creation old things have passed away behold all things have become new 2 Corinthians 5 17 When we are IN Christ we are a temple of the Holy Spirit In order to fully benefit from being His temple we need to be instructed structured using material from His word I have found that paying attention to little words gives more insight into and more powerful meaning to Bible passages Hopefully a year in this book of devotions will help in your understanding appreciation and use of the Bible Each month begins with a definition of that month s little word with information about its power and usage The definition is followed by a verse for each day of the month using that little word with thoughts for meditation and spiritual growth I wish for you the love joy grace and peace of God Please enjoy the impact of LITTLE WORDS **Wonderful Words for Life** Bob Gentzler,2021-11-02 We are drowning in a sea of uncertainty and the Bible can save us Unfortunately too many people are being told the Bible is no longer the word of God Somehow the truth has become negotiable and the Holy Book that we once held so sacred is collecting dust on bookshelves around the world Wonderful Words for Life reminds us that the Bible can be the best resource to look to when in despair or distress It can help you seek forgiveness for yourself and others recognize false teachers that seek to lead you astray keep your eyes on Jesus as you live life encourage your children to walk a godly path The book includes numerous Bible verses that clearly define God s wish for our lives The verses will help you take an honest look at your life and be the
