Religion plays a central role in human experience Billions of people around the world practice a faith and act in accordance with it Religion shapes how they enter the world and how they leave it how they eat dress marry and raise their children It affects law economy and government It sanctifies injustice and combats it Beginning with the first signs of religion among ancient humans and concluding with a look at modern citizens and contemporary trends leading scholar Thomas Tweed examines this powerful and enduring force in human society Religion A Very Short Introduction offers a concise non partisan overview of religion s long history and its complicated role in the world today

#### **Catholicism: A Very Short Introduction** Gerald

O'Collins,2017-05-18 Despite a long history of external threats and internal strife the Roman Catholic Church remains a vast and influential presence in our modern world But what were its origins and how has it changed and adapted over the centuries After Pope Benedict XVI dramatically resigned in early 2013 the first Pope to resign since the fifteenth century and Pope Francis was elected many wondered what direction he would lead the Church in and whether the Church could modernise in the face of the demands of our world In this Very Short Introduction Gerald O Collins covers the history of the Catholic Church and considers some of the key issues facing Catholicism today such as the catastrophic revelations about clerical child abuse the impact of the growth of Islam and the destruction in the Middle East of ancient Christian church

communities He also shows how Catholics are being increasingly challenged by an opposition between their traditional Christian values and rights which are endorsed by the secular world such as the right to physician assisted suicide or same sex marriage and considers the future for the largest and oldest institution in the world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable Living Belief Douglas F.

Ottati,2022-06-07 A leading theologian s concise guide to the beliefs commitments and practices of Christianity What do Christians believe But also what do they do And feel With decades of experience teaching the essentials of Christian faith Douglas Ottati still finds these questions and more like them dynamic and compelling In Living Belief he moves beyond trite answers drawing from the deep well of tradition to offer up wisdom from the Apostles Creed the Ten Commandments the Sermon on the Mount and the Lord s Prayer In so doing Ottati explores key Christian themes such as creation redemption and love of neighbor enemy and the weak and dependent Concise and approachable Living Belief makes no claims to be a definitive account of Christianity but rather attempts to introduce a faith that remains a source of meaning and direction that orients that encourages and assures that supplies moral standards and calls for contrition and that furnishes grounds for perseverance and hope In connection with each chapter Ottati includes questions for discussion so that readers those revisiting the core components of their Christian faith and those learning about it for the first time can together continue the work begun here of understanding the multifaceted life of devotion that is Christianity Introduction to the History of Christianity Tim Dowley,2013-11-01

Combining the accuracy and readability of the first edition of this highly acclaimed text Dowley has enhanced the second edition with new contributions from PHEME PERKINS on The Thought World of Early Christianity and RICHARD BURRIDGE on Jesus and the Gospels as well as updated and revised contributions from Ward Gasque Richard Pierard John H Y Briggs and more With many new photographs illustrations maps charts and timelines the inviting new full color format tells the dramatic intriguing and often surprising story of Christians in their 2000 year journey to the present day A Short Introduction to the History of Christianity Tim Dowley,2018-04 Tim Dowley s masterful one volume survey of church history is now available in a new concise format designed with today s student in mind Each section of Dowley s Introduction to the History of Christianity has been reviewed and content edited to create a more compact summary of Christian history This new shorter introduction retains the full color format of the popular full edition including the third edition s new images and maps Dowley has assembled a global cast of respected scholars to write the full story of the rise of the Christian faith and to provide a rounded picture of the worldwide development of Christianity The volume has been praised as accurate scholarly and balanced Its writers are committed to Christianity but also to the unhindered pursuit of truth that does not avoid the darker aspects of the varied story of Christianity The accessible text is supported by detailed

timelines maps profiles of key figures in Christianity colorful images and a complete glossary Each section includes questions for discussion

**Christianity** Keith Ward,2000-04-06 From original sin to eternal life the function of prayer to the role of the church renowned theologian Keith Ward offers a comprehensive survey of the diversity of Christian thinking in this new introduction to the world s largest faith By presenting three different interpretations for over fifteen key doctrines he invites anyone interested in the contemporary spiritual landscape to consider the Christian faith from a new and refreshing perspective

**The Reformation** Peter Marshall,2009-10-22 The Reformation transformed Europe and left an indelible mark on the modern world It began as an argument about what Christians needed to do to be saved but rapidly engulfed society in a series of fundamental changes This Very Short Introduction provides a lively and up to date guide to the process It explains doctrinal debates in a clear and non technical way but is equally concerned to demonstrate the effects the Reformation had on politics society art and minorities Peter Marshall argues that the Reformation was not a solely European phenomenon but that varieties of faith exported from Europe transformed Christianity into a truly world religion The complex legacy of the Reformation is also assessed its religious fervour produced remarkable stories of sanctity and heroism and some extraordinary artistic achievements but violence holy war and martyrdom were equally its products A paradox of the Reformation that it intensified intolerance while establishing pluralism is one we still wrestle with today
